B. Procedure during Hearings.

1. In hearings before an Infractions Committee, a Judicial Officer, a District Review Committee or National Board of Review hearings, the presiding officer will establish the order of presentation for the evidence. Usually, the complaining party will first present its case, and the defending party will then present evidence. Each party may be allowed an opportunity to ask questions of the witnesses. Committee members may question witnesses, and may comment on the evidence.
2. A party or witness may be represented by an attorney, or any other person chosen by them for that purpose.
3. The persons conducting the hearing are not required to be attorneys, and the parties are not litigants. Therefore, formal rules of procedure and evidence are not applied. The purpose of a hearing is to provide an opportunity for the presentation of facts in a fair and reasonable manner so that the hearing body can ascertain the truth, and determine appropriate remedies. Decisions will not usually be disturbed on procedural grounds if the above elements of protection are reasonably provided.

C. Infractions Committees and Judicial Officers. The proper administration of a sports event frequently requires an efficient and often quick determination of issues. The operating rules of each Sport Committee (National and/or District) may establish an Infractions Committee or may permit the appointment of one or more Judicial Officers to consider violations occurring in the sport.

1. **Appointment.** The Judicial Officers or Infractions Committees acquire jurisdiction only if the Sport Committee has adopted a written operating rule establishing the jurisdiction of the Committee/Officers at an Biennial Meeting. The Officer can be the District Sport Director or any other AAU member. The sport rule(s) may provide that the Sport Director may appoint the Committee/Officers.
2. **Jurisdiction/Authority.** The Committee/Officers can conduct an inquiry as to violations (including sport rules, entry requirements and/or operating rules) relating to the sport.
3. **Proceedings.** The Officer (or designated Committee member) may investigate the matter by interviewing witnesses, examining documents, and/or reviewing circumstances. When possible, written statements should be acquired. The person(s) or club being accused shall be notified that a complaint has been made, and the nature of the complaint. The accused shall be given an opportunity to present evidence on its own behalf. A formal/evidentiary hearing is not required, but the Officer should maintain notes and records regarding the inquiry.
4. **Decisions.** Decisions should be in writing, and delivered to the affected parties. District level decisions must advise that appeals can be made to the District Review Committee.

National Committee rulings can be appealed to the National Board of Review. Decisions are effective immediately unless a stay is issued by the appropriate appeal entity.

5. Infractions Committees and Judicial Officers in the field must act in a way that ensures the proper management of events, and Committee business. It is impractical to require these volunteers to be bound by a set of formal procedural requirements. However, it is essential to the proper function of the Infractions Committee/Officers that the parties accused receive reasonable notice of the charge, that an opportunity to be heard is provided, and that notice of the right to appeal is conveyed or delivered with the decision rendered. Decisions should not be reversed on procedural grounds if those elements of protection are reasonably provided.

D. District Review Committees

1. **Jurisdiction.** A matter can come before a District Review Committee by either a complaint, appeal, or upon the exercise of original jurisdiction.
 - a. **Complaints.** Any person or club can file a complaint with the Review Committee. The Chair of the Committee shall review complaints to determine whether there is reasonable cause to believe that a violation has occurred and that there are some facts to support the allegation. If such finding is made, the Chair shall schedule the matter for a hearing by the Committee. If no reasonable cause is found the complaint may be dismissed. If the Chair does not find reasonable cause, the case will be considered anyway, upon the request of at least three (3) Review Committee members.
 - b. **Appeals.**
 1. Any decision by a District Infractions Committee or Officer may be appealed to the District Review Committee.
 2. Appeals must be in writing, received not more than 20 days after the decision is issued, and shall be delivered with an appeal fee of \$100.00.
 3. The notice of appeal shall be delivered to the District Secretary who will notify the Review Committee Chair of the appeal, and forward the appeal fee to the District Treasurer.
 - c. **Original Jurisdiction.** The Review Committee may exercise original jurisdiction to initiate a case when it finds reasonable cause to believe that a violation has occurred.
2. **Hearings.** The Review Committee Chair shall schedule hearings and notify the Committee members and parties to the case. Hearings shall be scheduled not more than 45 days from: a) the date that Notice of Appeal was received by the District Secretary, or b) from the date that reasonable cause is found on a complaint.
3. **Evidence.** The Chair shall preside at hearings, and shall rule on questions of evidence. The Chair may permit the introduction of any matter that is relevant to the facts of the case or the appropriateness of penalties. Evidence can be written or oral. Hearsay may be permitted. The Chair may make preliminary orders setting deadlines for submitting documents, witness lists or other appropriate parameters or limits to the evidence.
4. **Decisions.** Decisions must be in writing, and distributed to all affected parties within 20 days of the conclusion of the hearing. The Decision shall contain notice of the right to

appeal to the National Board of Review. Any such notice shall be sent to the National Board of Review, c/o AAU, P. O. Box 22409, Lake Buena Vista, FL 32830. Decisions are effective immediately unless a stay is issued by the National Board of Review.

E. National Board of Review. Matters are presented to the National Board of Review by appeal, upon the exercise of jurisdiction as established by Code, or by complaints filed directly with the Board.

1. Complaints. A complaint is a statement in writing that alleges a violation of the AAU Code or AAU sport operating rule. Complaints received by the National Board of Review may be dismissed for lack of reasonable cause, referred to any other judicial body for action, or assigned to one or more hearing officers. The Chair, or persons delegated by the Chair may investigate facts of any matter before setting a hearing or referring the case.

2. Appeals.

a. Filing Requirements. Appeals must be in writing and must be submitted within 30 days of the date of the Decision being appealed. An appeal fee of \$250.00 (cashier's check or money order only) must be submitted with the appeal. The notice of appeal shall be delivered to and received by the National Office of the AAU within the appropriate time. The appeal fee will be refunded at the Chair's discretion.

b. Appeals can be dismissed for lack of reasonable cause, referred to one or more hearing officers, or scheduled for hearing before the Board. In each case the Chair may issue evidentiary orders and set deadlines appropriate to the case.

3. Original Jurisdiction. The National Board of Review may act on its own initiative to exercise jurisdiction over any matter or controversy arising within the AAU except the acts of Congress. If the National Board of Review asserts jurisdiction, the matter is removed from the jurisdiction of any other judicial body.

4. Hearing. The Chair may schedule hearings, establish deadlines for submitting evidence, set parameters and limitations of evidence as appropriate.

5. Evidence. The presiding officer will rule on all evidentiary and procedural matters to allow the parties a fair opportunity to present relevant information to support their position. The presiding officer may permit only evidence relevant to the facts of the case or the appropriateness of penalties.

6. Decisions. Decisions will be in writing and will be distributed as directed by the Chair. The Decision shall contain notice of the right to appeal to the National Board of Appeals, c/o AAU, P. O. Box 22409, Lake Buena Vista, FL 32830. Decisions are effective immediately unless a stay is issued by the National Board of Appeals.

F. Board of Appeals.

1. Jurisdiction. The Board of Appeals only considers appeals from Board of Review decisions.

2. Notice of Appeal. Appeals must be in writing, must recite the grounds for appeal as set out in the AAU Code, must be filed within 30 days of the decision date, must be

accompanied by an appeal fee of \$500.00 (cashier's check or money order only), and must be submitted to the National Office of the AAU.

3. The Board of Appeals will usually decide the appeal upon a review of the records. However, the Board may choose to seek additional information, schedule a hearing, interview witnesses, or take any other measures deemed helpful in arriving at a decision.
4. Decisions will be in writing, and will be distributed at the discretion of the Chair. Appeal fees may be refunded at the Chair's discretion.
5. The standard of review will be whether there is substantial evidence to support the decision of the Board of Review.

G. Interpretation and Application of Policy. The Chair of the National Board of Review may issue directives, interpretations, advisories, and orders to the judicial bodies or officers to assist in the proper application of the AAU Code, including its policies.

XVI. RE-DISTRICTING PROCEDURES.

- A. Any change in District territory requires an amendment to AAU Bylaws in accordance with Article I of the AAU Constitution.
- B. Districts wishing to change their geographic boundaries must submit a request for Bylaw change to the National Headquarters to the attention of the National Secretary at least sixty (60) days before the Biennial Meeting of Congress. The request shall include:

 2. Any existing District which this annexation or discardance may impact.
 3. Rationale for the request.
- C. Upon receipt of a proposed change, the National Office shall notify the Chair of the Re-Districting Committee and the Governor of any District impacted by the proposal. Impacted Districts may respond in writing to the Chair of the Re-Districting Committee with a statement of their support or opposition to the proposal.
