

Let your AAU Light Shine

Here at AAU Track & Field we know that our athletes and teams participate in dozens of noteworthy activities both on and off the field of play. Started in 2015, The AAU Track & Field Spotlight is a recognition program that helps celebrate these accomplishments and share them with our AAU family.

Now you can play an integral role in the AAU Track & Field Spotlight program. We are accepting nominations for those you believe should be considered for this honor. Nominations should be sent to rwilliams@aausports.org and should include the following information:

- Name of athlete, team or organization (the nominee)
- Contact information for the nominee (phone and/or email)
- A photo of the nominee
- Information on the nominee's involvement or participation in AAU
- Information on the accomplishment or event that should be recognized
- Links to any results or articles
- Any additional information you wish you share about the nominee
- Contact information of the submitter (phone and/or email)

With your help, we can recognize many more athletes, coaches, and organizations and let their light shine to the entire AAU Track & Field community!

Nominations will be reviewed on a monthly basis. If selected, both the nominee and submitter will be notified for additional information. An example of previous AAU Track & Field Spotlight recipients can be found in the news section of our website at <http://aauathletics.org/News.aspx>.
