Each team will play at least one pool play game prior to Opening Ceremonies. The first round of pool competition will be on days 1 and 2, the second round will be played on days 3 and 4. Single-elimination will begin on day 5 (one or more age groups *may* begin on day 4), semi-finals and the championship game will be played on day 6. Each team will be scheduled a minimum of seven games. Teams will be placed in pools of four (4). In the event of uneven teams, it is possible that one or more pools may have five (5) teams. In this instance, not all teams will play each other and tiebreakers will be based on averages per game. In the event of uneven teams, more teams will advance to Diamond than Gold. A wildcard system will be used. The next round of pool play in teams' new division will determine the seeding for single-elimination. All teams will advance to the single-elimination round.

**UNIFORMS:**

Uniforms and equipment shall be pursuant to the rules published by NFHS with Any exceptions/additions implemented by the AAU.

**COACHES' ATTIRE:**

Preferred attire for coaches is the full baseball uniform. If coaches are not in full uniform, they must be in appropriate matching athletic attire consistent with the team uniform (i.e. collared shirts, coaches' dress shorts, such as golf shorts, khaki, chinos, etc; baseball caps, and athletic shoes. Open-toed shoes are not acceptable.). Athletic shorts, mesh shorts, etc. are not allowed. Baggy basketball short, shorts that extend well below the knees and the like will not be allowed. Coaches' shorts with team logos or similar *will* be allowed. The key is that coaches are expected to have a professional and neat appearance. Only baseball caps may be worn on the field and must be worn with the brim in front. No hats other than baseball caps may be worn.

**PENALTY** - If these requirements are not met, that particular coach(s) ***will not*** be eligible to participate until he is in compliance with the rule. Coach(s) not in compliance will not be allowed to take the field until they are properly attired. Whether a coaches' attire is appropriate is solely a judgment call by the tournament director and may not be appealed.

**AAU PATCH:**

Included in the National Championship entry fee will be patches for players and coaches. The patches may be worn on the uniform or kept as a memento of the event.

The AAU National Championship patch may be affixed to the left sleeve of the uniform jersey or over the left chest of a sleeveless uniform jersey.

- BASEBALLS:** Official AAU Rawlings baseballs will be provided for all Nationals games.
- BATS:** 14U, Underclassmen, and Upperclassmen must follow the **NFHS rule** of BBCOR -3 length to weight ratio, or wood bats.
- RULES OF PLAY:** The most current High School Baseball Rules as published by the National Federation of State High School Districts except where modified (see AAU Baseball Handbook:  
[http://image.aausports.org/handbooks/baseball/baseball\\_handbook.pdf](http://image.aausports.org/handbooks/baseball/baseball_handbook.pdf)).
- An abbreviated handbook with tournament rules is posted at <http://www.aabaseball.org/Events/NationalEvents/NationalChampionships.aspx>. It is strongly recommended that coaches print this abbreviated version and have it with them at all times during the Grand Nationals.

Games will be seven (7) innings in length.

The 10-run/15-run rule will be in effect for all games.

The time limit will be two (2) hours and 15 minutes unless the score is tied. There will be no new inning starting after the time limit expires if the game is not tied. During **pool play**, if the score is tied at the end of 6 innings for 12U and younger or 7 innings for 13U and older, or reaches its time limit, one extra inning will be played using the **international tiebreaker rule**. There will be no ties or international tiebreaker in elimination (bracket) play. All games in the elimination (bracket) round will be played out unless the time limit (in games other than the Gold, Silver, or Bronze games) or mercy rule is reached.

At the beginning of the extra inning, coaches will meet at home plate and indicate to the umpire where in their batting order they will begin. Each team has the option of beginning anywhere in the batting order that was in place the previous inning. The previous two batters in the order will be placed on first and second base accordingly with no outs.

For example, the score is tied at the end of seven innings with the batter who is seventh in the batting order making the final out for the visiting team. At the top of the 8th inning the coach for that team may advise the umpire he chooses to start the extra inning with his number three batter. His number one batter would take second base, and his number two batter would take first base.

The opposing team will then advise the umpire where he will start his batting order. Once the tiebreaker begins, there is no re-entry of players.

If at the end of one extra inning with the international tiebreaker in place neither team scores, the game will end in a tie. Each team will be given one point for a tie, three points for a win, and no points for a loss.

The time limit will **not** apply in any medal games (Gold, Silver, Bronze) in bracket play.

The NFHS speed-up rule/courtesy runners rule will be used at all National Championships.

### **TIEBREAKER RULES:**

Tiebreakers apply to each individual round, including final standings. When one round has completed, it will no longer be considered in the tiebreaker criteria once the next round has begun: i.e. when breaking ties at the end of the second round of pool-play, the first round of pool-play will not be considered. When breaking ties in the bracket round beginning with fifth-place, neither the first nor the second round of pool play will be considered.

- a) Overall win-loss record
- b) Head-to-head competition, *provided all teams* have played each other
- c) Least number of runs allowed in round for which standings are being determined (all games in that round are considered; not just games between tied teams)
- d) Most runs scored in round for which standings are being determined (All games in that round are considered; not just games between tied teams)
- e) Random draw

Note:

When more than two teams are tied, **each time a team breaks the tie the remaining teams revert back to criterion b and begin the process again.**

If three or more teams are tied and if any one of the teams has not played all the other teams in the tie, criterion (b) will **not** be used.

If three or more teams are tied, all teams have played each other and head-to-head competition does not break the tie, all teams will continue to criterion (c). If one team breaks the tie in criterion (c) but other teams are still tied, those teams will revert to criterion (b). If the three (or more)-way tie is not broken with criterion (c), all teams continue to criterion (d).

**Once one team breaks the tie at any point, the remaining teams revert to criterion (b) and begin the process again.**

### **EXTENDED INCLEMENT WEATHER:**

In the event of extended inclement weather, at its **sole discretion** the tournament committee may deem it necessary to alter the tournament format by shortening either the time limit for games and/or reducing the number of innings that will constitute an official game, or other means necessary to complete the tournament

within the published dates. It is also possible that in these conditions, games may roll to the following day, teams may play more games in one day than originally scheduled, and single-elimination may have to begin on a day that pool play has just finished. The entire rain policy can be found in the AAU Rules Handbook.

**ELIGIBILITY:**

The National Championship will be subject to monitoring by the National Baseball Executive Committee.

At the Grand National Championships in ALL AGE GROUPS, all team members must be on the roster filed seven days prior to team check-in unless a special request is made to the Baseball Committee. Even though a player(s) may not be physically present at time of team check-in, the player(s) will still be eligible to play if the player(s) check-in with AAU Tournament Director prior to the start of the team's first (1<sup>st</sup>) game of the second (2<sup>nd</sup>) round of pool play for 14U and Underclassmen, and the first round of elimination for Upperclassmen.

If a player is found to be ineligible prior to the start of the tournament, the player will be expelled from the tournament. If a player is found to be ineligible after the tournament has begun, upon discovery, that player and head coach will be expelled from the competition. All games in which the ineligible player participated in the most current round will be forfeited (though the team will not be eliminated), the team will be placed as last seed in that round, and may be subject to future sanctions. Coaches are responsible to see that their team meets all eligibility requirements.

Any questions pertaining to the eligibility of a player or team shall be directed to the Tournament Director or his/her designee in attendance. All claims of an ineligible player must be accompanied by proof, and will be determined by the National Chair, Senior Sports Manager, and AAU Director of Sports.

**AWARDS and CEREMONIES:** Award ceremonies will be held for 1<sup>st</sup>-8<sup>th</sup> place teams in each the Diamond and Gold divisions. These ceremonies will commence immediately following each game that determines 1<sup>st</sup> through 8<sup>th</sup> place. Any player or coach who is ejected from a game will also be disqualified from that team's following game. The second occurrence during the tournament results in suspension for the remainder of the tournament as well as possible imposition of further sanctions.

**PROTESTS:** Protests must be made verbally with the umpire by the offended team at the time of the play and before the next pitch. A fee of \$100.00 cash (refunded if upheld) must accompany the protest. All decisions of the protest committee shall be final.
