- C. Based on a point system, districts will be placed in order, with the highest total of points first and so on. The host team shall be the 9th seed in all tournaments. Ties are broken by best finish in latest event.
- D. All Districts were drawn, blind by the voting delegates at the National convention in order to establish the order of placement in pools after the seeded teams are placed.

 6. The order of the draw list shall apply to Gold medal teams. Silver teams are then placed, then bronze, then 4th, then 5th etc., exempt according to the draw.
 7. Pool winners and runners-ups advance to championship bracket play. The 3rd, 4th, 5th place teams in each pool will play in the National Classic Championship.
