A. **Individual teams that medal in the National Championship bracket the previous year will be placed into pools first.**

1 The host team shall be the 1st seed after the 2012 medal teams.

B. Then, seeding shall be by districts, not individual teams.

1. The first criterion for seeding shall be order of finish in the respective age division for three (3) years when possible. Only teams advancing out of pool play to the championship round will receive points for seeding if they placed in the top sixteen (16) places.

a. National Classic Championships does not count towards seeding.

b. District 2nd, 3rd, 4th etc. teams will retain points.

2. Based on a point system, districts will be placed

in order, with the highest total of points first and so on

Ties are broken by best finish in the most current event.

C. All Districts were drawn, blind by the voting delegates at the National convention in order to establish the order of placement in pools after the seeded teams are placed.

If Teams or seeded districts do not attend tournaments their position will be vacated and teams will just move up the latter of placement.

The order of the draw list shall apply to Gold medal teams, Silver teams, Bronze teams, then 4th etc

Pool winner and runner-up advance to championship bracket play.

The 3rd, 4th, 5th place teams in each pool will play in the National Classic Championship.

District placement will determine placement of teams into the Pool Play.

The local host committee is not involved in the placement of teams into pools. Order of pool play and bracket schedule are predetermined and submitted to the Local Host by the National Director of Competition who has the final determination.
