

2013 LEADERSHIP CONFERENCE

Recap: Welcome Reception

Dozens of AAU Leadership members enjoyed a pleasant evening conversing with new acquaintances and catching up with old friends at the Welcome Reception after a day of meetings at the 2013 AAU Leadership Conference. The Welcome Reception lasted two hours, from 6-8PM on the Falls Function Lawn. Food was served and guests were able to socialize and mingle with other members and staff.

Recap: "The Meeting You Don't Want to Miss"

"The Meeting You Don't Want to Miss" truly lived up to its name yesterday afternoon in the Sawgrass and Marco Island conference room. The meeting was introduced by President Henry Forrest and then broken into four different sections: registration, insurance, compliance, and background screenings with First Advantage. Six speakers discussed these topics and each section was followed by a prize giveaway. About 200 members attended the meeting, which also

featured a question and answer session with IOA. IOA will also host an additional question and answer session on Saturday morning for anyone that may have more questions. AAU staff thought the meeting was an overall success and want to thank everyone who attended. Don't forget that all of the presentations from the conference are located on the AAU flash drive in your complimentary AAU Leadership Convention tote bags.

Get YOUR Headshot from Amazing Photos

Don't miss your chance to get a professional AAU Headshot from our friends at Amazing Photos! You are encouraged to stop by today from 9AM to Noon in the Key West office and let them catch you looking your best!

Youth and Adult Sports Council	1:00-2:00 PM
General Sessions	2:15-7:00 PM
Free Evening	7:00 PM

Keynote Speaker

Dr. Todd Maugans Pediatric Neurosurgery

Todd Maugans, MD, Chief of Neurosurgery, joined Nemours Children's Hospital (NCH) from Cincinnati Children's Hospital Medical Center, where he served as an academic pediatric neurosurgeon and faculty member at the University of Cincinnati. Dr. Maugans was drawn to NCH in part because of our dedication to holistic, child- and family-centered medicine as a key to healing – a philosophy he embraced early in his career as a family practice physician. Dr. Maugans earned his medical degree at Temple University in Philadelphia, Pennsylvania, and obtained residency training at Dartmouth-Hitchcock Medical, New Hampshire, University of Virginia, and University of Vermont. He received clinical fellowship training in pediatric neurosurgery at Children's Hospital Los Angeles. His clinical and research areas of expertise include concussion and surgical procedures for craniosynostosis.

Volleyball General Session

There were two Volleyball General Session meetings yesterday, both with crowds filling the Key Biscayne conference room. In the meeting, AAU leadership members discussed how they could grow volleyball membership and expand to different areas of the country and included an open forum on National Championships.
