4:45 PM – 6:15 PM	<b>What You Don't Know Can Hurt You</b> - Amateur and non-profit sports organizations have increasingly become the targets of claims and litigation. This session will focus on easily applied risk management procedures designed to protect you and minimize liability. The session will educate the audience as to some of the more significant issues that are frequently in the headlines; including sports injuries, what to do if there is an accident, electronic documents and the progression of a claim. This will include an interactive audience segment and you can participate by offering your observations through real time feedback of information.				
	Salon Foyer
