Seeding for National Tournaments are determine by: previous years medal winners; host team; previous district placement over past years

- A. Individual teams that medal in the National Championship bracket the previous year, are seeded first
- B. The host team shall be the 1st seed after the 2014 medal winners
- C. Districts that placed 1 through 16, earn points up to three years earn points and are seeded third
 - 1. This is for Championship Bracket only.
 - 2. Districts that has multiple teams will retain points and additional placements
 - 3. Based on a point system, districts will be placed in order, with the highest total next in line after the host Ties are broken by the best finish in latest year
- D. All Districts were drawn blind in order to establish the order of placement in pools after Steps A-C are completed The remainder of the teams are seeded using this draw

E. General Information

- 1. If Medal teams of seeded districts do not attend the National Tournament, their position will be vacated and team will just move up the ladder of placement
- 2. The order of draw in Section C, shall apply to district gold medal team, then silver team, then bronze team etc.
- 3. First and Second place teams will advance to the Championship Bracket play. Other teams will advance to National Classic tournament a. There is a tie breaker formula to break ties
- 4. The local host committee is not involved in the placement of teams into pools
- 5. Order of pool play and bracket schedule are predetermined and submitted to the local host by the National Director of Competition
