

## 2013 AAU Gymnastics Scholarship Award Winner

My name is Emily Wyant and I am from the Lake Erie district. I have been competing in AAU for nine years and have been in many competitions. In high school I wanted to better my education as much as possible so I took advanced classes and even a college class! I graduated with a 3.9 GPA and also was a member of the schools golf team. I plan on attending Youngstown State University and major in nursing.
