

Alexandria Caitlyn Mazur

My name is Alexandria “Alex” Mazur and I attend Gymnastics Gold. I have competed in AAU gymnastics for 13 years. In my 13 years of gymnastics I have been able to obtain national and state titles. Some of my accomplishments include several floor state titles and becoming the level 6 vault, floor and All-Around national champion, level 8 floor and all-around national champion, level 8 floor Junior Olympics champion, level 9 beam and all-around national champion and for qualifying for regionals my level 9 and 10 year. Some of my major accomplishments include being one of the alternates for the level 9 eastern nationals in 2013, having the highest beam score of the Jekyll island invitational for level 10 in the whole meet and becoming the level 10 vault, bars, beam, floor and all-around national champion. I consider these my most major accomplishments because I have had a wrist infection before my level 9 year and then wrist surgery before my level 10 year. I believe I did very well my first year of level 10 after recovering from wrist surgery as well. I will be attending Augusta Technical College in the fall and majoring in Radiology. While in school I will be teaching gymnastics classes at my gym.
