## **Adventuredome at Circus Circus Description**

The five-and-a-half-acre Adventuredome is America's largest indoor theme park and features thrill rides, traditional carnival rides, laser tag, miniature golf, bumper cars, midway booths, an arcade, clown shows and so much more. The natural lighting, high ceilings and canyon fixtures throughout the property gives you the feel of the outdoors, so you don't feel claustrophobic in the least bit.

Adventuredome offers enough thrill rides to keep you busy all afternoon. The Sling Shot shoots up like a rocket launch at a shocking 4 G force, while the Canyon Blaster takes you on a dashing 55-mile-per-hour roller coaster ride complete with a double-loop and double-corkscrew track. \$20,00 for all day pass. Purchase your tickets at the Age Group registration counter in the lobby of the of the Venue at the Las Vegas Westgate where you pay for entrance to the venue. Cash only please.

## **The High Roller: The World's Tallest Observation Wheel Welcomes The AAU Gymnastics Age Group Nationals**

Shining bright on the Las Vegas Strip, the 550-foot-tall High Roller is a true standout at The LINQ's outdoor shopping, dining and entertainment promenade. It's hard to picture what a cabin looks like, since it can hold up to 40 people in one. There are benches on either side of the cabin, with plenty of floor space in between. But we imagine you'll want to stand against the window and admire the view. Take a fun peek inside the High Roller: Tickets are \$23.95 for Youth and \$33.95 for Adults. Children 12 and under are complimentary with the purchase of an adult ticket. You can fly with your gymnastic teammates and rent out an entire cabin for the ultimate VIP experience.

For group inquiries, please contact Kristina Villardi with High Roller Group Sales directly at 702-322-0537 or [Highrollersales@caesars.com](mailto:Highrollersales@caesars.com)
