AAU is...

Boys and Girls, Men and Women. AAU is local and global. AAU is **laughter**, challenges, and opportunities. AAU is **the place** where you learn discipline, team work and persistence. AAU is an organization where **problem solving** and cooperation are taught through the medium of sports.

AAU is the oldest not-for-profit organization in the world dedicated exclusively to the **development** of sports. AAU is **32 different** sports programs. AAU is grassroots, local, national and global events.

AAU is athletic programs where striving to be your best is far more important than being the best. AAU is **educational programs** taught in both the written form and through example.

AAU is alumni from **Shaquille O'Neal** and Carmello Anthony, through Swin Cash and Sheryl Swoopes, to Carl Lewis, Jackie Joyner Kersee, and **Muhammad Ali**.

AAU is the AAU Junior Olympic Games. AAU is National Championships, and the **local and global** competition leading up to them. AAU is **289,860,028 million** people at practices and athletic events annually.

AAU is the AAU Sullivan Award, honoring the **top amateur athlete**. AAU is the arm of the **President's Challenge**, enhancing the fitness levels of America's youth.

AAU is impacting **communities** today and tomorrow. AAU is **building America's future one athlete at a time.**

WHERE YOU BEGIN HAS EVERYTHING TO DO WITH WHERE YOU FINISH.

We've been raising champions for more than a century. Since 1888, the AAU has set the standard for amateur sports in the United States. 'Sports For All, Forever' has been our focus and drive for 125 years and counting. It is more than a motto – it is our vision for sports in the United States and throughout the world. And today we are proud to host more sporting events for more age divisions in more cities than any other organization in the world.

However, the AAU is not just about sports. For every athlete who attains professional sports status after the AAU, there are hundreds more who apply their AAU experience elsewhere. What our participants gain is much more valuable than athletic glory, much more important than any athletic achievement. Through participation in AAU sports programs athletes acquire the mental activity, emotional maturity, and social tools necessary to succeed in the classroom and in the world beyond.

We are raising tomorrow's leaders on today's playgrounds. No matter your sport, age, or experience level, there is a place for you in the AAU. Congratulations on becoming a part of this tradition. And remember, where you begin has everything to do with where you finish!

AMATEUR ATHLETIC UNION

Suggestions to get you started

Forming a team can be a little overwhelming so the following are a few things to consider when beginning the process.

Important Considerations

The four most important considerations in forming a team are developing a philosophy for your team, finding committed players, finding a coach and finding a practice facility.

Develop Philosophy

Will it be a participation team where everyone gets equal playing time or a performance team where playing time must be earned? If the coach and the players don't buy into the philosophy of the team it will eventually lead to problems and hard feelings.

Selection of Players

- Will you run area wide or local tryout?
- Will they be open tryouts or by invitation only?
- Are tryouts necessary or will you just select your own team?
- You will also need to decide how many players you will have on your teams' roster. Cost, which is addressed in the next section (click on Financial Obligations of Clubs/Teams) have some impact on that decision.

Review AAU Gymnastics Handbook and AAU Code Book

Visit www.aaugymnastics.org and obtain a Gymnastics Handbook with all the rules and regulations by clicking on the Handbook link under the Rules/Info Tab. This will help you with you all age/divisions questions and make you knowledgeable of AAU rules and regulations. You should then contact your Gymnastics Sports Director or visit their website, which you can find at www.aaugymnastics.org. By visiting this website you will be able to get information on local upcoming events.

Develop a Budget

You must first figure out how much money you need to run your club. You have an option of dividing the cost of running your club amongst the number of players on your team. If you want to supplement the amount of money the players are responsible to contribute or if you do not want the players to contribute any money then you must do one of the following action points.

Get a Sponsor

Find a local business or person in your area that would like to sponsor your team either with money or merchandise.

Solicit Donations

Your first step in this process is to visit www.aausports.org and get a Club Level 3 membership. Selecting a Club Level 3 membership makes your club a subordinate under the AAU's Group exemption program, making the entity a tax-exempt organization. Level 3 Clubs are eligible to accept tax-exempt donations directly. (See club memberships).
