

Dear Coach/Team Manager,

Please share the contents of this e-mail with all the parents on your team.

This year ML Photography, in conjunction with Carmo Photography, will be photographing **the AAU Junior Olympics & Firs Junior Women's World Championships in Huntington Beach & Irvine, California**. We have been in business since 1994 and specialize in sports photography. Our photographers will be taking professional action photos of all the teams throughout the week.

We wanted to let you know that we will be taking a photo of your team to post on the AAU web site before your first game at Huntington Beach Arena. Please have your team ready 1 hour prior to your scheduled game time. There will be a special location set up at the facility for the team photo.

As a unique team offer we will be selling, at a discount group rate of \$150.00 per team, an AAU Commemorative team special. Each photographed player and coach on the team will be receiving a special 8x10 team photo that will include the name of the team and the tournament logo.

We will have on-site specials that won't be available on our web site: all images of your child on CD, individual poster collages, and individual action photos of all sizes. **We will also have a team DVD that includes all the images of your team for \$250.00. This includes every image we take of your team. Every team is guaranteed to be photographed at least three times. This by far is our best offer.**

Please stop by our tables to view additional samples and talk to one of our sales staff to assist you with any requests or questions you may have.

To view samples of our work please visit this link -
