

Once again, **Carmo Photography** will be photographing the AAU Inline Junior Olympics. We have been providing professional photography for over 30 years and have been the official photographer for the AAU JUNIOR OLYMPICS for the past 7 years. Please look for our sales table at the Corona Inline rink. Action photos will be available for viewing after every game that we photograph. We will be offering photo sizes ranging from 5x7 to poster size.

We are also offering an action photo disc of your team for \$250.00. Each team will be photographed a minimum of 2 to 3 games but if you pre-register then we will photograph a minimum of 4 games. The disc is copy able and the copyrights are released so that you can print your own pictures or make duplicate discs.

We will also be taking a team photo of each team prior to your first game. The 8x10 team photo will include your team name, division and event logo. The cost of the team photo is \$25.00 but save money and order the team photo package for \$150.00 and every player and coach in the photo will receive an 8x10 color print.

PRE PAY BY JULY 7 AND RECEIVE BOTH TEAM DISC AND 8X10 TEAM PHOTO PACKAGE FOR \$350.00 (SAVINGS OF \$50.00)

To pre-register please email us:
orders@carmophotography.com

Please keep in mind that we will NOT be posting the event to our web site so all purchases must be made on site or by pre registering.

Thank you and we'll see you at the tournament!
