

“THE BEST BASKETBALL PLAYERS OF AAU” MAILING COMING THIS SUMMER

AAU players and parents will want to keep an eye on the mailbox this summer for information on the 2010 Inaugural Edition of “The Best Basketball Players of AAU.”

AAU believes, and it is generally recognized, that the athletes in the AAU are the best youth basketball players in the United States.

This wonderful book, “The Best Basketball Players of AAU” has been specifically created to recognize and honor these elite players in both Boys Basketball and Girls Basketball.

There are absolutely no fees or costs whatsoever for players to be included in the book. However, those who want to have their profile (and picture, if they wish) in the handsome, coffee table-style publication must fill out and return the Player Data Form that will be enclosed in the mailing.

Of course, those who choose to may reserve a copy of the hardcover keepsake as a lasting tribute to their participation in AAU Basketball.

Please watch for the exciting information and take advantage of this very special opportunity to be a part of history with the 2010 Inaugural Edition of “The Best Basketball Players of AAU.”
