

METROPOLITAN NEW YORK AAU TAEKWONDO CHAMPIONSHIPS

Dear Masters & Instructors,

It is with great pride and happiness that I extend to you this formal invitation to participate and in the 1st Annual New York Metropolitan District Championship, being held on Sunday, March 30th 2014 at Queens College in Flushing, NY. This event serves as a qualifier for the 2014 National Championship in Ft. Lauderdale, Florida. Please refer to our website at www.aautaekwondo.org for all qualifying criteria and a complete listing of this year's competition rules, equipment requirements and regulations. I am very excited to be a part of growing AAU in the state of New York and I hope you will be as well.

This year's tournament aims to create a competitive platform where we will continue to highlight the values of sportsmanship and camaraderie while competing under the safest and most secure conditions. The tournament promises not only experience to all those who participate, but also new friendships and bonds.

Please review the enclosed material, complete all necessary paperwork and mail it in as early as possible. The more participants who pre-register early, the smoother and more economical the process will be. Please keep in mind that no tournament day registration will be permitted in order to ensure an orderly and timely progression of events on the tournament day. All registration should be completed online at tourneyreg.net. If anyone needs help me or my staff will personally assist you in registering.

As you may be aware AAU will be using KP&P at Nationals in 2014 for all ages 10-32 black belts. To give athletes an opportunity to practice using the gear we will have all 10-32 black belts run KP&P as well. We will have socks available on venue to purchase. I look forward to seeing you at the qualifier!

Awards are awarded for the top four finishers in each division and all participants will receive a certificate for participation. Enclosed you will find a tournament poster to display in your school. In order to streamline the registration process and provide convenience to all participants we ask that everyone register online:
