

VISION COMPANY

VISION

Vision USA Inc. is a martial arts product distributor and a retailer. Moreover, it's a manufacturer of a Vision brand and Revolution brand martial arts products. Vision offers complete solution to martial arts such as custom medals, trophies, mats, custom uniforms, consulting, and business management. Additionally, Vision is a leading local, national, and international martial arts event and tournament vendor and presenting sponsor.

For the past eighteen years, Vision USA, Inc. has been providing martial artists with competitive prices on quality products, and providing best quality services like business consulting, sponsoring events, and remodeling and setting up martial arts schools. Hence, Vision strives to provide martial artists with complete solutions to every facet of martial arts practice and business.

Vision USA Inc. has also proven in the U.S. to be the leading martial arts equipment company in the WTF-Olympic Sparring. Its products have been tested and approved by USA Taekwondo, its national team, and Olympic team, and medical department to meet the highest of standards in quality, safety, and WTF equipment specifications. Vision USA currently is the supplier and manufacturer of USA taekwondo official products for the U.S. Olympic Taekwondo Team, and US National Team.

Most recently, Vision acquired exclusive contract with KP&P, electronic sparring gear manufacturer, for American market. The KP&P product is WTF approved electronic chest guard scoring system that is technologically most advanced in the market.

MISSION

Sharing equal value with martial artist's tenets, respect, honest, courtesy, perseverance, indomitable spirit, and self control, to dedicate and commit complete energy and resources to provide martial artists with Best Price, Best Service, Best Quality Products, Best Shipping, and Best Consulting to elevate the level of martial art industry.
