Submitting Rule/Policy/Procedure Changes to the AAU TKD Handbook

All rule change proposals must be submitted to the TRC Chair no later than June 15. An explanation of who is allowed to submit changes is listed in the front of the handbook under 'Sport Rules, Policies and Procedures.'

All proposed changes must be presented using the proper format or they will be rejected. The section of the handbook must be identified, (for example point sparring, forms, etc.). Following the section should be an explanation or justification for wanting the change. The Articles and sub-articles, as written in the handbook, which are being proposed for a change must first be copied to the submitted form twice. The first copy remains intact to show how the rule/policy/procedure currently reads. The second pasted copy will show the proposed change(s). These changes are shown by yellow highlighting proposed additions, while strikethroughs will show wording to be deleted.

Doing a copy/paste function, as opposed to re-typing the information, will keep the proposal in the proper formatting which will allow an easier transition back to the handbook.
