

INSIDE AAU TAEKWONDO

HIGHLIGHT STORY – AAU TEAM PREPARES FOR SPANISH OPEN

Following up on an extremely successful Team Training Weekend in January, the National Teams and coaching staff now prepare to participate in the **2015 Spanish Open** in Pontevedra, Spain from **April 10th through the 12th**.

With a full complement of Cadets and Juniors together and a strong group of our 10-11 year old Pre-Cadets and another group of Senior Team Members, it looks like AAU Taekwondo will be bringing at least **60 AAU Team Members** to this prestigious Open Championship.

In addition to our Team Members, AAU Taekwondo has extended an invitation to those who finished 2nd at September's Team Trials to join us as well, at their own expense. And so far, many have already indicated a willingness to do so. This will be our largest International contingent of AAU Taekwondo athletes ever! **AAU Taekwondo serving its' members!**
