RULES OF PLAY

The 2014 AAU Junior National Volleyball Championships will be conducted under the AAU Code, AAU Volleyball Handbook and the current Domestic Competition Regulations as presented by USA Volleyball, with modifications by the AAU National Volleyball Committee. These rules may also be modified by Championship Rules and information included in this guide.

Some of the key or tournament specific rules are listed below.

- a. Each team will be allowed a maximum of 12 substitutions.
 - Substitutions are only recognized when the sub(s) enters the sub/attack zone.
 - Only one sub may enter the zone at a time.
 - There is no longer a request from the coach or captain.
- b. Teams in all divisions may use Libero Players.
 - Each team may designate up to two Liberos.
 - Libero(s) must be identified prior to each set.
 - Only one Libero may be on the court at a time.
 - The Libero(s) may **serve in only one rotation** in a set.
 - The Libero(s) uniform jersey must be immediately recognized from all angles as being in clear contrast to and distinct from the other members of the team. It **must contrast** in color to the predominant color of the jerseys of the other members of the team.
- c. Uniform Requirements:
 - **Each player is required to wear the same jersey number throughout the event.** This applies to **all** players including the Libero position. If players share the Libero position from set to set or match to match, each player must wear their same jersey number whenever they play, whether they are or they are not assigned to the Libero position.
 - Under the blood rule applications, a number may be changed temporarily.
 - Identical uniforms are required, with the **exception** of the Libero. The Libero must wear a uniform shirt that is immediately recognized from all angles as being in clear contrast to and distinct from the other members of the team.
 - Uniform Numbers:
 - Jerseys must be numbered in a permanent manner from 1 to 99.

- Duplicate numbers are not allowed.
 - Uniform numbers must be clearly visible, centered on the chest and back. (Tape may not be used to form or alter a uniform number.)
 - The numbers must be minimum height of 4" on the chest and 6" on the back (recommended to be 6" on chest and 8" on the back). The stripe forming the numbers shall have a minimum width of ¼".
 - Each jersey must use the same color and number height for all players except the Libero. The color and brightness of the numbers must contrast with the color and brightness of the jerseys. Color combinations such as purple/black, dark green/black, navy/black or navy/maroon are not distinctive enough to comply with the rules.
 - For additional specifications, please refer to USAV rule 4.3.
- d. Only the 10 & Under Division will use the step-in modification when serving. A step-in line will be marked 6'6" in front of the endline.
- e. Centerline and Net Touch Rules:
- To touch the opponent's court with any part of the body above the feet is permitted provided that it does not interfere with the opponent's play.
 - Contact with the net by a player is not a fault unless it interferes with play.
 - Players may touch the post, ropes or any other object outside the antenna, including the net itself, provided the contact does not interfere with play.
 - A player interferes with play by (amongst others) touching the top band of the net or the top 80 cm of the antenna during action of playing the ball, taking support from the net simultaneously with playing the ball, creating an advantage over the opponent or making actions which hinder an opponent's legitimate attempt to play the ball.
 - For complete rules, please refer to the current Domestic Competition Regulations as presented by USA Volleyball available at www.usavolleyball.org.
- f. Players and Spectators may not at any time have or use any form of artificial noisemaker in any of the competition facilities.
- g. If a match is moved to another court for any reason, the match will resume at the same score as it was left off. The match will not be restarted.

MATCH START TIMES

- a. The FIRST MATCH of any round or wave will not begin before its scheduled time.
- b. Within a wave, a match may be advanced no more than ten (10) minutes from the scheduled starting time provided the 2 competing teams, the assigned work team, the officiating team, officials and tournament staff all agree.
- c. The last round of the wave may be advanced more than 10 minutes provided the 2 competing teams, the assigned work team, the officiating team, officials and tournament staff all agree.

FORFEITURES

- a. In the event that a complete playing team (6 legal players and a roster coach) is not present and ready to play at the scheduled match time, the missing/incomplete team will forfeit the first set of the match. The team forfeits the second set of the match 10 minutes after the forfeiture of the first set. If the team arrives or becomes complete during the 10 minutes between sets, the second set will begin immediately upon completion of line-ups and there will be no warm-up time.
- b. If there is potential for a playoff, all teams must remain in the court area. When Championship Staff completes the playoff determination and seeding, they will notify the officials and if necessary send a playoff score sheet to the court. Any team not present or incomplete will forfeit the playoff whether they are playing or assigned as the work team.

PROTESTS

- a. Any protest must be lodged with the first referee prior to the next serve.
- b. Only the floor captain may lodge a protest. (Exception: for 14, 13, 12, 11 and 10 Divisions where the coach may act as captain.)
- c. The first referee is obligated to acknowledge all protests.
- d. The Protest Committee will consist of: (1) a Tournament Director or Event Staff, (2) a Head Official and (3) another tournament official not involved in the match.

TIE BREAKING PROCEDURE

TIE BREAK FORMAT FOR COMPETITION ADVANCING TO THE CHAMPIONSHIP DIVISION

General Guidelines for all ties

- **IT IS THE COACH'S RESPONSIBILITY TO KNOW IF A PLAYOFF WILL BE HELD FOR THEIR POOL. DO NOT LEAVE THE FACILITY UNTIL YOUR POOL IS COMPLETED.**
- All tiebreaker sets will be one 25-point set with teams switching sides at 13 points. Before the tiebreaker, there will be a 6-minute (3-minutes per team) warm up period.
- In any tie, if one of the teams in the pool leaves the site or cannot be immediately found before the determination that a tiebreaker match is necessary, the missing team will be eliminated from the tiebreaker and assigned the lowest position available within the tie.

ALL TWO WAY TIES (two teams tied in match record)

- The team that won the pool play match between the two tied teams (head to head) will be the higher seed – there will be **NO PLAYOFF MATCH**. This procedure applies to **all** two-way ties, including those leading to the Championship Division. (The rationale is that the tied teams have already determined the better team through direct play.)

THREE WAY TIES (three teams tied in match record)

- Once a three-way tie exists, the Championship Staff no longer uses the two-way tie rule in any fashion to resolve the tie, (e.g. head-to-head results are not used as a method of determining seeding).

1. In a pool with one team advancing and a three way tie in match record for 1st

- a) All three tied teams will participate in the tie breaking process.
- b) The teams will first be seeded by:
 1. Win-Loss ratio for the total number of sets played in the pool (set wins/total sets).
 2. Point Percentage (a team's total points scored divided by the total points scored against them in that pool).
 3. Coin Toss.
- c) **Set One** - the #2 seed plays the #3 seed and the #1 seed is the work team. The loser of Set One is 3rd in the pool and is the work team for Set Two.
- d) **Set Two** - the winner of Set One then plays the #1 seed. The winner of Set Two is 1st in the pool and the loser is 2nd.

2. In a pool with two teams advancing and a three way tie in match record for 1st

- a) All three tied teams will participate in the tie breaking process.

- b) The teams will first be seeded by:
 1. Win-Loss ratio for the total number of sets played in the pool (set wins/total sets).
 2. Point Percentage (a team's total points scored divided by the total points scored against them in that pool).
 3. Coin Toss.
- c) The #1 seed will take 1st in the pool.
The #2 seed plays the #3 seed and the #1 seed is the work team. The winner is 2nd in the pool and the loser 3rd.

3. In a pool with three teams advancing and a three way tie in match record for 1st

- a) **NO PLAYOFF MATCHES.**
- b) With all three teams advancing, the seed will be determined by:
 1. Win-Loss ratio for the total number of sets played in the pool (set wins/total sets).
 2. Point Percentage (a team's total points scored divided by the total points scored against them in that pool).
 3. Coin Toss.

4. In a pool with two teams advancing and a three way tie in match record for 2nd

- a) All three tied teams will participate in the tie breaking process.
- b) The teams will first be seeded by:
 1. Win-Loss ratio for the total number of sets played in the pool (set wins/total sets).
 2. Point Percentage (a team's total points scored divided by the total points scored against them in that pool).
 3. Coin Toss.
- c) **Set One** - the #2 seed plays the #3 seed and the #1 seed is the work team. The loser of Set One is 4th in the pool and is the work team for Set Two.
- d) **Set Two** - the winner of the Set One then plays the #1 seed. The winner of Set Two is 2nd in the pool and the loser is 3rd.

5. In a pool with three teams advancing and a three way tie in match record for 2nd

- a) All three tied teams will participate in the tie breaking process.
- b) The teams will first be seeded by:
 1. Win-Loss ratio for the total number of sets played in the pool (set wins/total sets).
 2. Point Percentage (a team's total points scored divided by the total points scored against them in that pool).
 3. Coin Toss.
- c) The #1 seed is 2nd in the pool.
- d) The #2 seed plays the #3 seed and the #1 seed is the work team. The winner is 3rd in the pool and the loser 4th.

FOUR WAY TIES (four teams tied in match record)

1. In a 7-team pool with 4 teams tied for 1st and four teams advancing.

- a) **NO PLAYOFF MATCHES.**
- b) With all four teams advancing, the seed will be determined by:
 1. Win-Loss ratio for the total number of sets played in the pool (set wins/total sets).
 2. Point Percentage (a team's total points scored divided by the total points scored against them in that pool).
 3. Coin Toss.

2. In a pool with four teams advancing and a four way tie in match record for 4th

 3. Coin Toss.
- c) The #1 seed will be 3rd in the pool.
