PM Wave: 3:00PM – 8:00PM

RULES

USAV rules apply, as modified by AAU Volleyball.

- Rally score in each game; 25 points in the first two games and 15 points in the third game. Some three team pools will play a cross pool and some will play 3 games to 25 points. Check the format and schedule for details.
- The libero can serve.
- You may have two liberos for each set.

WARM-UP

There will be no shared hitting during warm-ups.

The first match of the pool for each team will have warm-up time of 2-4-4. (4 minutes for one team to have whole court - 4 minutes for the opposing team to have the entire court).

All the remaining matches for that pool will have a warm-up time of 4-4. (4 minutes for one team to have the whole court - 4 minutes for the opposing team to have the whole court. There is no shared serving after the first match for each team).

PROTESTS

If a protest is to be filed, it must be done at the time of the incident. NO LATER. The first referee is obligated to acknowledge and record all protests. Only the floor captain may file protests. (The exceptions to this are the 10U-14U divisions, where the acting team coach may file a protest).

ROSTERS

Coaches must turn in an AAU roster before play starts. No players can be added to the roster after play has started. A coach can be added but there will be a charge of \$ 25.00. If a number needs to be changed it will cost \$25.00.

OFFICIATING RESPONSIBILITIES

A coach must be at the score table when his/her team is refereeing. We will provide a certified 1st referee for each match.

Each team is responsible for supplying 1 down official, 2 line judges, 1 scorekeeper, 1 scoreboard operator and 1 libero tracker. Each team must provide whistles. Failure to provide officiating for your next assigned match could result in a forfeit of the first game of your next match. For every minute your officiating team is late, 1 point is given to the opponent in your match, up to the 25-0 forfeit. No more than 25 points will be awarded to the team's next opponent, even if the team designated to officiate misses the entire match. The clock begins at the end of warm up.

The second offense will result in the loss of your match.

There will be certified 1st and 2nd referees for the finals in all age divisions.

18 & UNDER PLAYERS

Born on or after September 1, 1999 or players who were born on or after September 1, 1998 and are high school students during some part of the current academic year. **College students are not eligible.**

Once a player participates in a club or varsity program for any university, college, community college or junior college, she is ineligible to play, regardless if she was a high school student during some part of the current academic year.

Professional players are not eligible.

TIE BREAKING PROCEDURES

All Teams must be present to compete in the tie-breaker playoff games. If a team leaves the area this is considered a forfeit and they will be eliminated from the tie-breaker, which will result in a two-way tie. The team that leaves will fall to the lowest position of the three teams tied. The other two teams will play for the highest position.

For all competition leading to the Gold Championships:

All two-way ties will result in head-to-head competition. If there are more teams tied for playoffs than there are positions (three teams for two spots), the tied teams must compete for positions in direct competition. All tie-breaking games will be 1 rally game to **25 points**, no cap with a 3/3 minute warm-up.

For all competition NOT leading to the Gold Championships:

There will be no playoff games.

If there is a 3-way tie in the match record for 1st place:

If the 3-way tie breaking procedure eliminates a team from possibly reaching the Gold Championships, then a tie-breaking game is required. In the event in which a 3-way tie for 1st place exists, the seeds in the playoff are determined by:

- a. Win-Loss ratio for the total number of games played in that pool.
- b. Point percentage (a team's total points scored, divided by the total points scored by the opponents in that pool).

The #1 seed will be 1st in the pool. The 2nd seed and 3rd seed will play 1 game to 25 points. Winner of this game will be the 2nd seed, loser will be the 3rd seed.

If there is a 3-way tie in the match record for 2nd place:

If the 3-way tie breaking procedure eliminates a team from possibly reaching the Gold Championships, then tie-breaking games are required. In the event in which a 3-way tie for 2nd place exists, the seeds in the playoff are determined by:

- a. Win-Loss ratio for the total number of games played in that pool.
- b. Point percentage (a team's total points scored, divided by the total points scored by the opponents in that pool).

The #2 seed will play the #3 seed, with the loser finishing 4th in the pool. The winner will play the #1 seed. The winner of this match will take 2nd place in the pool and the loser will take 3rd place.

If there is a 4-way tie in the match record:

If the 4-way tie breaking procedure eliminates a team from possibly reaching the Gold Championships, then tie-breaking games are required. In the event in which a 4-way tie exists, the seeds in the playoff are determined by:

- a. Win-Loss ratio for the total number of games played in that pool.
- b. Point percentage (a team's total points scored, divided by the total points scored by the opponents in that pool).

The #1 seed will play the #4 seed, with the loser finishing 4th in the pool. The #2 seed will play the #3 seed, with the loser finishing 3rd in the pool. The two winners will play. The winner of this match will take 1st place in the pool and the loser will take 2nd place.

MATCH AND FORFEITURE TIMES

The FIRST MATCH of any round or wave will not begin before its' scheduled time. Within a wave, a match may be advanced no more than ten (10) minutes from the scheduled starting time. The last round of the wave may be advanced more than the specified 10 minutes if all participants are in agreement (includes both teams playing, and the officiating team). The second game of the match is forfeited 10 minutes after the forfeiture of the first game.
