- Encroachment into the opponent's court with any part(s) of the body is permitted, provided some part of the body remains either in contact with or directly above the centerline, and there is no interference with opponents. Completely crossing the centerline with the foot, feet, or hands, or encroachment with other body parts must not present a safety hazard to opponents.
- Contact with the net by a player between the antennae, during the action of playing the ball, is a fault. The action of playing the ball includes (among others) take-off, hit (or attempt) and landing.

- A player interferes with play by (amongst others) touching the net between the antennae or the antenna itself during action of playing the ball, using the net between the antennae as a support or stabilizing aid, creating an unfair advantage over the opponent by touching the net, making actions which hinder an opponent's legitimate attempt to play the ball, or catching/holding onto the net. Players close to the ball as it is played, or who are trying to play it, are considered in the action of playing the ball, even if no contact is made with the ball. However, touching the net outside the antenna is not to be considered a fault.

TEAM OFFICIATING DUTIES

Teams will be given working assignments within their pools. Each team **MUST** provide qualified persons as follows: one (1) scorekeeper, one (1) scoreboard operator, two (2) line judges and one (1) Libero tracker. A rostered coach must be present at the score table for the entire match when your team is scheduled to work. **Scorekeepers must be competent or the team will be required to hire an official scorekeeper through the event staff. Competency will be determined by the Championship Committee.**

Officiating teams must report to the referees at the beginning of the warm-up time. Teams are considered late for their officiating assignment if all members of the officiating crew are not in attendance at the end of the warm-up period.

Failure to provide the officiating crew for your assigned match could result in the forfeit of the first game of your next match. For every minute the officiating team is late, one point will be given to the opponent in the next match, up to the 25-0 forfeit. The second offense will result in the loss of your next assigned match. It is the responsibility of the Head Coach to verify officiating duties at the Championships Desk.

To review and learn the scorekeeping procedures, please review the USAV Training Materials. Visit www.aauvolleyball.org or http://www.volleyballreftraining.com/training_materials_junior.php for information.

TEAM PHOTOS (optional)

PUERTO RICO, OTHER US TERRITORIES, NON-US TEAMS

Teams from other US Territories and Non-US teams meeting the eligibility requirements are welcome to participate. Teams must provide a letter from their National Volleyball Federation. Teams must comply and receive approval by the entry deadline of May 25. If approval is not received by May 25, the team is subject to disqualification. Please contact the AAU at 407-828-8304 or volleyball@aausports.org for complete eligibility requirements for non-US teams.

PRACTICE

Limited practice space is available on the day prior to the division starting play. Teams will be notified after the entry deadline of practice times and locations. Space is limited, so not all requests are guaranteed to receive practice time. Teams must supply their own balls for practice. Please note, there may be admission fees for spectators at practice.

COLLEGE RECRUITERS

Team rosters will be made available to college coaches for ages 14 to 18.
