- For an explanation of the Libero players, please refer to the 2017-2019 USA Volleyball Domestic Competition Regulations available at www.usavolleyball.org.

Uniform Requirements:

- **Each player is required to wear the same jersey number throughout the event** with limited exceptions as required by emergency or blood rule applications. This applies to all players including the Libero position. If players share the Libero position from match to match, a player shall wear the same jersey number whenever they play, whether they are or they are not, assigned to the Libero position.
- **Identical uniforms are required, with the following exceptions:**
 - **The Libero must wear a uniform jersey that is immediately recognized from all angles as being in clear contrast to and distinct from the other members of the team.** The Libero jersey must contrast in color from the predominant color(s) of the other members of the team. Predominant color(s) is the color(s) appearing on approximately half of the uniform. Color combinations including but not limited to purple/black, dark green/black, navy/black, navy/maroon, white/light yellow are not distinctive enough to comply with the rules.
 - Different sleeve lengths are permitted.
 - If undergarments are worn in such a manner that they are exposed, they will be considered a part of the uniform, in which they must be similar and the same color for any team member (except Libero) who wears the undergarment. Socks and shoes are not considered part of the uniform.
 - Manufacturer's logo or trademark can vary if it does not exceed 2 ¼ inches.
- **Uniform Numbers:**
 - Jerseys must be numbered in a permanent manner from 1 and 99 and duplicate numbers are not allowed.
 - Uniform numbers must be clearly visible and centered on the chest and back.
 - The numbers must be minimum height of 4" on the chest and 6" on the back (recommended to be 6" on chest and 8" on the back). The stripe forming the numbers shall have a minimum width of ¾".
 - Each jersey must use the same color and number height for all players except the Libero. **The color and brightness of the numbers must contrast with the color and brightness of the jerseys.** Color combinations such as purple/black, dark green/black, navy/black or navy/maroon are not distinctive enough to comply with the rules.
- For any questions regarding your team's uniform, contact volleyball@aausports.org.

Centerline and Net Touch Rules:

- Encroachment into the opponent's court with any part(s) of the body is permitted, provided some part of the body remains either in contact with or directly above the centerline, and there is no interference with opponents. Completely crossing the centerline with the foot, feet, or hands, or encroachment with other body parts must not present a safety hazard to opponents.
- Contact with the net by a player between the antennae, during the action of playing the ball, is a fault. The action of playing the ball includes (among others) take-off, hit (or attempt) and landing.
- Players may touch the post, ropes or any other object outside the antenna, including the net itself, provided that it does not interfere with play.
- A player interferes with play by (amongst others) touching the net between the antennae or the antenna itself during action of playing the ball, using the net between the antennae as a support or stabilizing aid, creating an unfair advantage over the opponent by touching the net, making actions which hinder an opponent's legitimate attempt to play the ball, or catching/holding onto the net. Players close to the ball as it is played, or who are trying to play it, are considered in the action of playing the ball, even if no contact is made with the ball. However, touching the net outside the antenna is not to be considered a fault.
- For complete rules, please refer to the 2017-2019 USA Volleyball Domestic Competition Regulations available at www.usavolleyball.org.

Team Warm-Ups:

- Coaches and athletes are responsible for proper warm-ups.
- There will be no shared hitting during warm-ups.
- Each team will have warm-up time of 2 minutes of shared ball handling, 4 minutes of solo court time for the serving team, and 4 minutes of solo court time for the receiving team (2-4-4).
- **When one team has exclusive use of the court, the other team must be either at its team bench or out of the playing area. Warming up with balls at the team bench or in the spectator walkways is not permitted. Ball handling is only allowed on the competition court during the appropriate warm-up time.**

Balls:

- Game balls will be provided. Teams are responsible to provide their own balls for warm-ups.
- The 10 & Under, 11 & Under, and 12 & Under division will play with the Spalding TF-Lite ball. All other ages will play with the Spalding TF-VB5.

Serving Step-In:

- The 10 & Under division will be allowed to step into the court when serving. The step-in line will be 6'6" from the serving line.
- No step-in will be allowed for the 11 & Under and 12 & Under divisions.

Net Height:

- Ages 13-18 net height is 7'4^{1/8}"
- Ages 11-12 net height 7'0"
- Age 10 net height 6'6"

Additional Rules:

- **Teams may register for only one division in the Championships.**
- **Athletes may only be on one team roster during the event, regardless of competition dates. Athletes may not play on two teams. Coaches may be on multiple rosters.**
- Rules regarding the sanctioning of disruptive behavior by coaches and/or players will be strictly enforced.
- No artificial noise makers will be allowed during play in any of the competition facilities.

TEAM OFFICIATING DUTIES

First and second referees will be provided for all matches. Teams will be given working assignments within their pools. Each team **MUST** provide qualified persons as follows: one (1) scorekeeper, one (1) scoreboard operator, two (2) line judges and one (1) Libero tracker. **A rostered coach must be present at the score table for the entire match when your team is scheduled to work.** Scorekeepers must be competent or they will be removed and the team will be required to hire an official scorekeeper through the event staff. If the scorekeepers are removed, the team will be charged. Competency will be determined by the Championship Committee.

Officiating teams must report to the referees at the beginning of the warm-up time. Teams are considered late for their officiating assignment if all members of the officiating crew are not in attendance at the end of the warm-up period.

Failure to provide the officiating crew for your assigned match could result in the forfeit of the first game of your next match. For every minute the officiating team is late, one point will be given to the opponent in the next match, up to the 25-0 forfeit. The second offense will result in the loss of your next assigned match. It is the responsibility of the Head Coach to verify officiating duties at the Championships Desk.

Coaches and athletes needing instruction on the scorekeeping responsibilities, please fill out the form for our Scorekeepers Clinic [HERE](#) by June 8, 2018. There will be a clinic taking place on June 16, 20, and 24, 2018 at the Orange County Convention Center.
