Athletes, Coaches and Friends of AAU:

Since 1888, the AAU has set the standard for amateur sports across the United States. “Sports for All, Forever” has been our focus and drive for over 125 years and counting. It’s more than a motto – it’s our vision for sports in the United States and throughout the world. Today, the AAU is proud to host more sporting events for more age divisions in more cities than any organization in the world.

The AAU is not just about sports. For every athlete who attains professional status after AAU, there are hundreds more who apply their AAU experience elsewhere. What they gain is much more valuable than athletic glory. Through participation in AAU sport programs, athletes acquire the mental acuity, emotional maturity and social tools necessary to succeed in the classroom and in the world beyond.

We are raising tomorrow’s leaders on today’s playgrounds. No matter your sport, age or experience level, there is a place for you in the AAU.

Congratulations on being a part of the tradition.

Sincerely,

Amateur Athletic Union (AAU)
