SEEDING INFORMATION AND TOURNAMENT RESULTS (Due April 30)

Seeding for the National Championships is determined by the seeding committee*. The committee considers many factors when seeding teams including, but not limited to the following:

1. Team's results throughout the year as submitted in AES
2. Team's results against other teams in the field as submitted in AES
3. AES national ranking engine
4. Team's final standing at previous year's National Championships
5. Seeding information submitted to AAU

Each team is REQUIRED to submit seeding information and tournament results from the season by April 30.

The written information you provide about your team as well as your competitive opponents, will allow the seeding committee to

make a more accurate seeding structure. Failure to provide complete and thorough information will jeopardize your team's chance of being seeded correctly.

All teams must submit information. If your team has not competed together prior to the Championships, you must still submit information about your team. This is required by April 30.

STEP 1: Each team must submit general Seeding Information as part of the online event registration process. In the AAU Volleyball event system, click the ***Seeding Information Part 1*** to complete the information. Information includes overall team record, AES/USAV team code, and additional questions about your team.

STEP 2: Tournament results from throughout your season are required. Results in the AES system will be used if you add your AES (or USAV) Team Code on Part 1. It is strongly recommended that you provide results through AES as information from the AES ranking engine will also be used. Please be sure your results are updated and accurate. You may set up an AES account at no charge. For more information, please refer to the Seeding/Results section in the online registration system. You may also submit information on the AAU Results Form through the AAU online registration system; however, results that are submitted separate from AES are not used in the AES ranking engine. For additional information, click on **Results – Part 2** in your online account.

RULES OF THE CHAMPIONSHIPS

- No age waivers will be allowed. It is the responsibility of the coach to enter the team in the correct age category. Failure to do so could result in disqualification from the event. Please refer the Age Division section for more information.
- Rally scoring will be used. Each non-deciding set will be won by the team that first scores 25 points with a minimum two-point advantage (no scoring cap). If there is a deciding set, it will be won by the team that first scores 15 points with a minimum two-point advantage (no scoring cap).
- 12 substitutions and Libero player(s). Substitutions are only recognized when the sub enters the zone. There is no longer a request from the coach or captain.

- Only one Libero may be on the court at a time.
- The Libero player(s) may serve in one rotation in a set.
- **The libero CAN be team captain, game captain or both.**
- For uniform requirements, please see below.
- For an explanation of the Libero players, please refer to the 2019-2021 USA Volleyball Domestic Competition Regulations available at www.usavolleyball.org.

Uniform Requirements:

- Each player is required to wear the same jersey number throughout the event with limited exceptions as required by emergency or blood rule applications. This applies to all players including the Libero position. If players share the Libero position from match to match, a player shall wear the same jersey number whenever they play, whether they are or they are not, assigned to the Libero position.
- Identical uniforms are required, with the following exceptions:
 - The Libero must wear a uniform jersey that is immediately recognized from all angles as being in clear contrast to and distinct from the other members of the team. The Libero jersey must contrast in color from the predominant color(s) of the other members of the team. Predominant color(s) is the color(s) appearing on approximately half of the uniform. Color combinations including but not limited to purple/black, dark green/black, navy/black, navy/maroon, white/light yellow are not distinctive enough to comply with the rules.
 - Different sleeve lengths are permitted.
 - If undergarments are worn in such a manner that they are exposed, they will be considered a part of the uniform, in which they must be similar and the same color for any team member (except Libero) who wears the undergarment. Socks and shoes are not considered part of the uniform.

 - Uniform numbers must be clearly visible and centered on the chest and back.
 - The numbers must be minimum height of 4" on the chest and 6" on the back (recommended to be 6" on chest and 8" on the back). The stripe forming the numbers shall have a minimum width of ¾".
 - Each jersey must use the same color and number height for all players except the Libero. The color and brightness of the numbers must contrast with the color and brightness of the jerseys. Centerline and Net Touch Rules:

- Encroachment into the opponent's court with any part(s) of the body is permitted, provided some part of the body remains either in contact with or directly above the centerline, and there is no interference with opponents. Completely crossing the centerline with the foot, feet, or hands, or encroachment with other body parts must not present a safety hazard to opponents.
- Contact with the net by a player between the antennae, during the action of playing the ball, is a fault. The action of playing the ball includes (among others) take-off, hit (or attempt) and landing.
- Players may touch the post, ropes or any other object outside the antenna, including the net itself, provided that it does not interfere with play.
- A player interferes with play by (amongst others) touching the net between the antennae or the antenna itself during action of playing the ball, using the net between the antennae as a support or stabilizing aid, creating an unfair advantage over the opponent by touching the net, making actions which hinder an opponent's legitimate attempt to play the ball, or catching/holding onto the net. Players close to the ball as it is played, or who are trying to play it, are considered in the action of playing the ball, even if no contact is made with the ball. However, touching the net outside the antenna is not to be considered a fault.
- For complete rules, please refer to the 2019-2021 USA Volleyball Domestic Competition Regulations available at www.usavolleyball.org.

TRANSPORTATION

Transportation to venues is not provided through the event. It is the responsibility of the team to arrange for transportation to the playing venues. Teams may not play at the same site each day, so transportation is needed to all competition sites. AAU does offer discounts with several rental car agencies in Orlando. For more information on rental cars options, please visit www.aauvolleyball.org or [click here](#).
