

i. **Skin Checks**

1. During weigh-ins, the trainer or medical personnel will complete a full skin evaluation process on each athlete. No alteration in any uniform/equipment will be permitted in order to control the spread of skin disease. All contagious skin diseases should be evaluated on site by the trainer working that event and only then if deemed that the wrestler is unfit for participation. The Trainer has final word of participation unless medical release is provided by a licensed medical doctor. Once the final determination is made, the athlete may be evaluated on a day to day basis to reenter the competition.
