

AAU NATIONAL FREESTYLE CHAMPIONSHIPS

Freestyle Champions, 1889-1982

This list of national AAU Champions includes every man who ever won that title in any weight class since the organization of amateur wrestling in 1888 to date.

It will be noted that the weight classes have changed at various times, usually corresponding with Olympic years, when the weight classes are made to correspond with the metric weights used in the Olympics.

This list is divided into two sections, catch-as-catch-can champions (1888-1921) and freestyle champions (1922 to date). Don Sayenga, historian
