Each coach is responsible for bringing the supporting documentation to the Reno tournament. You will only need to show this documentation if there is a question from another participant. Copies of certified birth records, adoption papers or immigration papers for each player are needed to prove age. For grade exception athletes you must supply a confirmation of grade level from a school administrator as well as birth record.

AAU DIVISION CRITERIA...

Sept. 1, 2011, shall be the determining date for the age of the competitor. Read the AAU website to understand 'grade exception'. For High School teams there is no age requirements, you just all have to go to the SAME high school and each player must be high school eligible.
(Example) 5th Grade: An athlete must be in the 5th grade as of October 1, 2010 and cannot turn 13 prior to September 1, 2011. (For each subsequent age group add a year to the definition.) An easy way to judge the eligibility of a player is to use the Age Calculator from the AAU. We have a link on our website.;

QUESTIONS....

How early do we need to arrive in Reno ?
 There will be a coaches' meeting on Friday night at 6pm. This is the time you will check in, meet the tournament officials and get any last minute information as well as your coach passes.
How do I get AAU cards?
 Contact your local office by calling 1-800-AAU-4-USA or go to the National site at www.aausports.org

How do I find a hotel?

Register as early as you can. Hotels will fill for Memorial Weekend. We have a listing of hotels that have offered special rates for us on our web site. Be sure you get these rates as other groups have higher rates. But there are a limited number in each block. So if you don't register early you could miss out on these rates.

I have heard there are two tournaments in Reno that weekend. Which one is this?

This tournament is in its 22nd year. It is held in gyms throughout the entire Reno area. This is the one that you have been hearing good things about for years. We have had an average of 220 teams for the last seven years.

Will we play each day?

Yes, you will have at least one game Sat, Sun and Monday.

When will we finish on Monday?

It is impossible to say. Generally the better your team places the later in the day on Monday you will finish. But typically the last game is over by 3:30.
