

Dear Junior Olympic Participants,

Carmo Photography is happy to announce that we are your official photographers for the AAU Inline Hockey Junior Olympics for the 8th year in a row! Action photos will be available for viewing at the Kapolei Inline Rink after every game that we photograph. We will be offering photo prints on-site ranging from 5x7 to 12x18 posters, flash drives with all of your team's Action Photos, and each team will have an Official Tournament Team Photo taken prior to their first game!

The Action Photo Flash Drive is the best deal for your team to SAVE money! For \$300.⁰⁰ you will receive every image that we photograph of your team (in one division.) Most teams will be photographed a minimum of 2 to 3 games during the event, but if you pre-register then we will photograph all of your games. This great price is for ONE division... if your team plays in two divisions, please ask us for special pricing to include your games from both. These professional images are able to be downloaded, uploaded, printed and shared freely amongst your team.

The Official Tournament Team Photo has been a real favorite for teams over the years. This high quality 8x10 print in our custom border includes your team name, division, and the official event logo. Each Team Photo is \$30.⁰⁰ but place a team order for \$195.⁰⁰ and every player and coach in the photo will receive their own print! These commemorative photos are a great way to remember the Jr Olympics in Hawaii!
