APPENDIX D

Definitions/Glossary

AAU Code - The AAU Code is the collective reference to the Constitution, Bylaws, National Policies, National Sports Committee rules and District Sport Committee rules and regulations. The AAU Code is available at www.aausports.org.

Athlete - A person who participates in an AAU sports activity as defined by the appropriate AAU Adult or Youth Sports Committee in regards to eligibility, rules, age, gender, etc.

Attached - An individual registered athlete becomes attached to an AAU club or team when the athlete participates as a club representative in a competition sanctioned by a District which includes two or more teams.

Membership - An agreement to participate under the rules, regulations, Code, policies and procedures of the AAU. Membership entitles participation; it does not create agency, or authorize member(s) to be spokesperson(s) on behalf of AAU.

Non-Athlete - A person who participates in the AAU in an administrative role such as Administrator, Bench Personnel, Coach, Instructor, Manager, Official, Team Leader, Tournament Director, Volunteer or other who supports the sport's activity but does not compete as an athlete.

Practice - For the purpose of AAU sanctioning, "practice is organized and/or regularly scheduled sessions supervised at all times by a registered non-athlete member of the AAU and conducted for the purpose of preparing, training, instructing and conditioning only AAU member athletes for AAU sanctioned competitions. Tryouts and scrimmages are included as long as they meet all the requirements of the above definition.

*Practices do not require a separate sanction application but are included in the AAU Club Membership (Level 1, 2 and 3).

License - The written approval of the AAU to authorize registered athletes to participate in a specific competition or activity (Updated 10/13).

Scrimmage - A practice of an AAU member club against other member athletes or another club. A scrimmage does not qualify as a practice if an admission fee is charged, or the officials are paid. Scrimmage results must not affect the team's standing or rankings.

Supervision - Supervision requires that an AAU non-athlete member (coach/instructor) be physically present at all times at the practice premises or site during each practice session.

Transfer - A change in an athlete's attachment, or club affiliation, from one club to another.

Unattached - An AAU Athlete who represents no club member.

AAU CLUB RELEASE FORM

This form is a sample Club Release Form. Other versions of this form can also be used.

A youth member becomes attached to a club member when he/she competes with that club in any AAU licensed event (practice not included). An athlete may attach to additional clubs if he/she participates in additional sports. An attached youth member may transfer to another club in the same sport if the representative of the club to which an athlete is attached signs a release form permitting an immediate transfer. (Athletes released under this provision are subject to National Championship eligibility restrictions as adopted by National Sport Committees.) [Added 10/07]. If the youth member has not competed in any AAU sanctioned events in that Sport for a period of sixty (60) days, a release form is not needed and the athlete may transfer immediately.
