Enter the Libero number(s) in the Libero boxes and starting players' numbers in the SP column.
 When the Libero enters, write L or R, showing which Libero entered, next to the exiting player's number.
 When the Libero leaves, write the returning player's number or L or R if replaced by the other Libero.
 If a regular sub occurs, slash the player number and enter the new number.
 If a libero serves, place a triangle around the Roman numeral for that service position.
