

AAU VOLLEYBALL UNIFORM REQUIREMENTS

Following are the requirements for the AAU Junior National Volleyball Championships. For local events, please check with your District Director or event host.

1. Each player is required to wear the same jersey number throughout the event with limited exceptions as required by emergency or blood rule applications. This applies to all players in the Libero position. If players share the Libero position from match to match, a player shall wear the same jersey number whenever they play, whether they are or they are not, assigned to the Libero position.
2. Identical uniforms are required, with the exception of the Libero. The Libero must wear a uniform shirt that is immediately recognized from all angles as being in clear contrast to and distinct from the other members of the team.
3. **Uniform Numbers:**
 - a. The jerseys must be numbered in a permanent manner from 1 and 99 and duplicate numbers are not allowed.
 - b. Uniform numbers must be clearly visible and **centered** on the chest and back.
 - c. The numbers must be minimum height of 4" on the chest and 6" on the back. It is recommended that numbers be 6" on chest and 8" on the back. The stripe forming the numbers shall have a minimum width of 3/4".
 - d. Each jersey must use the same color and number height for all players except the Libero. The color and brightness of the numbers must contrast with the color and brightness of the jerseys. Color combinations such as purple/black, dark green/black, navy/black or navy/maroon are not distinctive enough to comply with the rules.
4. USA Volleyball uniform requirements will be followed. For additional specifications, please refer to USAV rule 4.3.
