

I. INTRODUCTION TO AAU WRESTLING

WHY CHOOSE AAU WRESTLING?

The Amateur Athletic Union provides the country's wrestlers with a low cost choice in athletic programming. Regardless of whether you play soccer and then wrestle or star in gymnastics before baseball season begins, our multi-sport annual membership card does it all! Buy an AAU card at a wrestling event for just \$12.00 and you receive insurance coverage and the right to participate in any or all of the AAU's 32 other sports. That translates into huge savings for community organizations whose youth athletes participate in a number of sports.

Our insurance program is second to none in the industry. No other not-for-profit sport organization in the country can boast accident coverage equal to that of the Amateur Athletic Union. As for liability coverage, AAU membership comes with a 10 million-dollar policy! Compare policies with other groups. When you do, you will notice glaring differences. And, when it comes to coverage's for yourself, your program, and your athletes, don't you want the best?

The niche we fill in the sport of wrestling is our focus on grass root programming. A vast amount of the energies generated by the thousands of AAU volunteers goes toward America's youth - in all four disciplines of wrestling.

We hold competition in Freestyle, Greco-Roman and Folkstyle. Sombo sanctions are available. We believe that participation in any of these disciplines helps broaden an athlete's skill level for success in the others. AAU Wrestling offers increased opportunities and experiences for America's athletes.

We challenge you to compare our organization benefits and programming against all the other groups. When you do, the Amateur Athletic Union will make a lot of sense.

We hold more National Championships than any other organization in the country. We provide each athlete with a free T-shirt at each of our national events. We award larger trophies and medals than our competition. We have the least expensive membership fee in the business. And, we offer the best insurance coverage in the industry.
