

criteria, then the match between these two tied wrestlers will determine their placement.

- Charts will not be repaired due to no shows. Wrestler will receive a win by forfeit against no shows.
- A forfeit will count as a win towards Ironman Points. A bye will not count as a win towards Ironman Points.

### Club Competition

This form will be used for all National Championships including the AAU Folkstyle Worlds and AAU Ironman Championships. Check the appropriate box.

An AAU Club is a group of wrestlers who are from the same **District** (formally known as Association) except for the Super Clubs. Competing AAU Wrestling Clubs must be registered with their AAU District, prior to competing at the national event.

1. In any competition for club awards, a wrestler may represent only one AAU club.
2. Wrestlers must be placed on roster by division.
3. Once the roster is submitted, before the start of competition, the only changes allowed are changes in a wrestler's weight class. The coach must inform the tournament pairing official of any changes due to weight class before the first match of the tournament.
4. The coach must submit a copy [proof] of the clubs current membership with the AAU together with their roster at registration time to be eligible for club competition. Placement earned only by those on the point earning list will be included in club scoring.
5. AAU clubs may enter more than one wrestler per weight class, however, the points earned in that weight class will be awarded to only the highest placing individual from that club. Complete and submit the following roster during registration.
