This form is a sample Club Release Form. Other versions of this form can also be used.

A youth member becomes attached to a club member when he/she competes with that club in any AAU licensed event (practice not included). An athlete may attach to additional clubs if he/she participates in additional sports. An attached youth member may transfer to another club in the same sport if the representative of the club to which an athlete is attached signs a release form permitting an immediate transfer. (Athletes released under this provision are subject to National Championship eligibility restrictions as adopted by National Sport Committees.) If the youth member has not competed in any AAU licensed events in that Sport for a period of sixty (60) days, a release form is not needed and the athlete may transfer immediately. The AAU Compliance Department should be notified of disaffiliation from original club.
