

American Optometric Association
Sports Vision Section

Be the Best You Can Be

Eyes are your window to the world. They're also critical to peak athletic performance. Be the best you can be. Get screened.

Members of the American Optometric Association Sports Vision Section will conduct **FREE** sports vision evaluations in July at the Cobo Center in Detroit, Michigan:

July 24, 2013
10 a.m. – 7 p.m.

July 25, 2013
8 a.m. – 6 p.m.

July 26, 2013
8 a.m. – 6 p.m.

July 27, 2013
8 a.m. – 6 p.m.

Cobo Center
1 Washington Blvd
Detroit, MI 48226

Stop by to make sure you are the best athlete you can be!

In addition to a routine eye examination, you'll be tested for:

- Eye-hand-body coordination
- Depth perception
- Reaction time
- Dynamic visual acuity – sharpness of vision while in motion

Did You Know. . .

There's a direct correlation between good eye health and regular evaluations. Since 1994, more than 4,000 AAU Junior Olympic athletes have received FREE sports vision evaluations from the AOA Sports Vision Section and the statistics say it all. Of these athletes:

- **39%** had never had an eye examination
- **29%** reported visual symptoms affecting their athletic performance
- **25%** had reduced depth perception

The evaluations are made possible by a generous grant from:

VISTAKON[®]

DIVISION OF

Johnson+Johnson Vision Care, Inc.
