

# Parking, Transportation & Ticket Information

## Parking

The majority of venues for the 2003 AAU Junior Olympic Games will offer complimentary parking. However, exceptions to this include Ford Field in Downtown Detroit and Eastern Michigan University in Ypsilanti.

**Ford Field** has a variety of parking options, from metered parking in surrounding streets to numerous surface lots within a short walk. A map of the area surrounding Ford Field can be found on page 12. Keep in mind that the cost of a parking ticket can substantially outweigh the cost of many surface lots and other events in the area may increase parking costs and limit available spaces.

For athletes, coaches and spectators staying in downtown area hotels, the Detroit People Mover is a viable alternative to parking at or around Ford Field. With 13 stops throughout downtown Detroit, Ford Field patrons can find a station conveniently located near almost any downtown hotel or parking facility. Parking further away from Ford Field and riding the People

Mover is often a less expensive alternative than parking directly at Ford Field. The People Mover's nearest stops to Ford Field are: Greektown, Broadway and Grand Circus Stations. The People Mover fare is \$.50. For more information about the Detroit People Mover, call 1-800-541-RAIL or 313-224-2160 or visit them online at [www.thepeople-mover.com](http://www.thepeople-mover.com).

Also, please note that most downtown hotels charge for parking at their location. These prices vary and often can be added directly to your hotel bill upon checkout. Please contact your hotel directly to determine if you will be charged for parking.

At **Eastern Michigan University** in Ypsilanti, there may be a charge in lots around Rynearson Stadium and the Swimming venue. Please obey all on-campus parking restrictions, as the cost of a ticket will outweigh parking costs.

## Transportation

All athletes, coaches and spectators are responsible for their own transportation to and from all activities, events and hotels.
