## **Karate Invitational**

Saturday, September 22, 2007

Pawleys Island, South Carolina

### **The Gray Man**

*His appearance means danger is near, and those who see him do well to heed his warning!*

*This tournament is sure to be a category four storm.*

Maybe the most often told story in Georgetown County is the one about the "Gray Man." On more than one occasion, it has been said that the Gray Man has been seen on the beach in Pawleys Island just before a major hurricane comes. This has been going on for over a hundred years. People who have listened to the Gray Man's warnings have always found their homes safe from the storms.
