

**2008 AAU SOUTHEASTERN DISTRICT CHAMPIONSHIP
TRACK & FIELD MEET SCHEDULE**

IMPORTANT NOTE

**Please note that only a daily start time is provided in this schedule.
Once entries are received we will prepare an estimated time schedule based on entries and have
it available in team packets and will post on the web site.**

**If Long Jump entries are very large we may have to move the last three divisions
to a Saturday morning start but will only do that as a last resort.**

**Please understand that the start time is only good for the first division listed and not all divisions.
Do not contact the meet director for an estimated start time for individual events.**

**Any races scheduled for Trials and having 9 or fewer entries will advance straight to finals. Those events
will be posted at the track and will be noted in the team packet.**
