Hosting AAU Events

Did you know that with a Club Level 2 membership your club can host your own AAU tournaments? Simply sanction your tournament online with AAU for a very low fee, and we'll even help you actively advertise your tournament by listing it on the AAU National website and sending announcements to all the clubs in your state! Clubs all over the country host their own events as fundraisers for their team's travel. Unlike most other organizations, AAU allows your club to keep **100%** of the entry fees collected for your tournament.

One Membership, Over 35 Sports

With **one** AAU membership, an AAU athlete can participate in AAU Baseball, Basketball, Wrestling, Volleyball, or any multiple of the over 35 sports the AAU offers. The athlete can participate in as many AAU sports s/he likes all with only one inclusive membership. That one AAU membership is valid from September 1 through August 31.

The AAU is one of the world's largest non-profit multi-sport organizations. Each year we sanction over 15,000 local, regional and national competitions. Join the millions of AAU members across the country as they strive to achieve their dreams.

We Make It Easy to Join the AAU!

We make it easy by providing instant on-line registration. Just visit www.aabaseball.org, click on the "Join AAU" icon and away you go. It's as easy as 1-2-3.

Insurance Included With Membership

Insurance programs are not all created equal. One of the most important things you can do as a coach or administrator is to make sure you are adequately insured – both for your protection and your players'. To review the outstanding insurance coverage that is provided as one of your benefits of being an AAU member, simply go to www.aausports.org and click on Insurance. Always make sure when you are reviewing any insurance plan that you are comparing apples and apples. Don't put your players or yourself at risk.

AAU also offers an "Extended Benefit (AB)" membership. If you have an Extended Benefit AAU membership, in addition to AAU-sanctioned events, your club can also participate in non-AAU events (such as other organizations' tournaments) and you will still be covered.

Positive Coaching Alliance (PCA)

The AAU has partnered with PCA to become the first national sports organization to require all its coaches to obtain PCA Double-Goal Coach® training and certification. PCA will provide training at no cost. Please visit www.aausports.org in order to get more information on how you can become a PCA Double-Goal Coach.
