THE AMATEUR ATHLETIC UNION

The AAU is one of the largest non-profit volunteer organizations in the United States dedicated solely to the promotion and development of amateur sports. Established in 1888 by sports leaders who collectively became the first to define amateurism and create standards for amateur athletes in the country. The AAU continues to operate on the basic principles upon which the organization was founded: to maintain the mutual interests of its members while achieving and improving amateur sports.
