

My name is Hal Yost, PGA – Life Member and the AAU National Golf Chair.

The AAU has many Junior Golf Programs around the country that are teaching young junior golfers how to play and enjoy this great game of golf. Some are beginners and some are very good high school players who will be advancing to a college with a golf scholarship earned with golf skills. Some will make golf as their living and enjoyment for a life time.

I am writing today to let you know about a new set of Black Magic golf wedges with lofts from 48, 52, 56 and 60 degree that we have found to be very helpful in teaching the short game of golf in our junior golf programs and can be a good club for any golf bag.

I will only recommend a golf club for our golfers to use when we see the results and success by the player. The Black Magic Wedges stand out for our junior players because I see results quickly and the positive reactions from the juniors. Our students are able to get the proper feeling very easily in pitching and chipping shots with consistency with these wedges. When we have our “skills test” the juniors all prefer to use the Black Magic Wedges. Since they started using the new Black Magic Wedges they are enjoying the skills test competitions more and are advancing to the next level quicker.

I took notice that the juniors were having fun with the success and the ease of using the wedges. I also know that a problem for all golfers, both juniors and adults is a “Chunk” shot or a “Chili Dip” from the edge of a green. I introduced the Black Magic Wedge to both the juniors and the parents and everyone had quick success and again enjoy playing the chip shot.

I am now also using this new Black Magic Wedge myself. My chipping and sand play have improved my confidence and it is also more fun and I have it in my golf bag. The Black Magic Wedges are a unique hybrid club that conforms to all USGA Rules and will improve your score.

After talking with the owners of Blade Runner Golf, Inc. they are glad to include custom built wedges to the proper length for junior golfers or the adults. For a junior golfer give them the players’ age, height and if it is for a girl or boy. If you want an adult wedge, tell them you want standard length for men or lady.

When you order please tell them that you support the AAU Junior Golf.

You can place an order at the website at www.blackmagicwedge.com or call toll free 877-799-6099.
