Adventuredome at Circus Circus Description

The five-and-a-half-acre Adventuredome is America's largest indoor theme park and features thrill rides, traditional carnival rides, laser tag, miniature golf, bumper cars, midway booths, an arcade, clown shows and so much more. The natural lighting, high ceilings and canyon fixtures throughout the property gives you the feel of the outdoors, so you don't feel claustrophobic in the least bit. Adventuredome offers enough thrill rides to keep you busy all afternoon. The Sling Shot shoots up like a rocket launch at a shocking 4 G force, while the Canyon Blaster takes you on a dashing 55-mile-per-hour roller coaster ride complete with a double-loop and double-corkscrew track

The High Roller:

The World's Tallest Observation Wheel

Shining bright on the Las Vegas Strip, the 550-foot-tall High Roller is a true standout at The LINQ's outdoor shopping, dining and entertainment promenade. It's hard to picture what a cabin looks like, since it can hold up to 40 people in one. There are benches on either side of the cabin, with plenty of floor space in between. But we imagine you'll want to stand against the window and admire the view.

Blue Man Group

Blue Man Group's show at Monte Carlo is an energetic and innovative combination of music, comedy, and multimedia theatrics. Although it is almost impossible to describe, people of all ages agree that Blue Man Group is an intensely exciting and wildly outrageous experience that leaves the entire audience in a blissful, euphoric state.

Cirque Du Soleil

Cirque Du Soleil has eight show in Las Vegas these show are awesome and gymnastic oriented. Have great music. There is also Le Rêve – The Dream at the Wynn Hotel. Le Reve is a own by the Wymm but it was choreographed by Cirque Du Soleil choreographers.
