Dear AAU

Thank you very much for presenting me with the scholarship for college. It is great to have your support as I pursue a career in medicine. Without all of the influence from the coaches and judges, I would not be where I am today. Everyone in AAU and USTA has been like a second family to me and I would not have it any other way.

Thank you very much for the scholarship and so much more.

Love always, Erin Harder

Dear AAU Executive Board

I'm writing to you in regards of the Joel Ferrell award that I received at Junior Olympics. I'm thanking you for voting for me to receive this award. I have pursued this award for three years and I thank you for intrusting me with the privilege of receiving this prestigious award. Once again, THANK YOU!

Evan Hackbarth
