

AAU Taekwondo Youth Leadership Award

Dear Thomas,

You have been selected as the recipient of the 2007 United States Amateur Athletic Union Taekwondo Youth Leadership Award. The judges for this award have an extremely difficult task in choosing only one winner from the outstanding group of AAU athletes who apply for this coveted award every year. The AAU Taekwondo program is filled with talented, motivated young people who exhibit the qualities needed to be successful in any endeavor they choose. As an athlete, student and supportive member of their respective community, each applicant enhances the organizations they support.

As a member of the AAU Taekwondo National Team, you have competed all over the world and represented the program in a very professional and fiercely competitive way. Earning a position on the team is a difficult and challenging undertaking yet you have made the team in 2006, 2007 and 2008. This perseverance and dedication to excellence will serve you throughout your entire life and ensures great success for your academic and professional future.

Please accept the enclosed award and you will soon be receiving a Scholarship check in the amount of \$1,000.00 for higher education. The AAU Taekwondo program is proud to support you in your scholastic endeavors.

Sincerely,

Mr. Scott Fiorillo
