

To All AAU Nationals Officials

Another year of AAU National Championships has drawn to a close. Chuong Pham and I would like to acknowledge all of the AAU Nationals' officials who made this event a success through their dedication and hard work.

There were 690 AAU officials who took clinics in 2009 to become certified to help with the local and National events. From that group, the 107 listed below helped work this year's National Championships, from weigh-ins and check-ins to staging to ring management to officiating. Besides the local clinic, these officials attended a 4 ½ hour hands on clinic conducted by Chuong Pham, the AAU National Chief Referee on Monday prior to the start of the event.

We would like to acknowledge and thank the future generation of AAU officials. Of the 107 officials at this year's event, 27 were between the age of 15 and 21. Two of those 27 already hold a B official's classification and 5 more requested an evaluation for upgrade to B at Nationals this year. Several others are anxiously awaiting the age requirement when they also can request an upgrade. These talented youth are the future of the AAU Taekwondo's officials program. They are an inspiration to younger AAU athletes and will forge the way for an even more successful AAU Officials program in the upcoming years.

The AAU officials are a truly exceptional group of individuals. Anyone who doubts that statement need simply to have been in the gym the last day of competition when all of the officials, regardless of TKD belt rank, and still in black officials garb, all pitched in together to help tear down the rings.

Thank you for all of your tireless efforts not only at this year's Nationals, but throughout the competition year.

Chuong Pham – National AAU TKD Chief Referee
Pat Weseman – Officials Program Administrator
