- d. **All serving must be done during a team's solo court time.**

- e. **When one team has exclusive use of the court, the other team must be either at its team bench or out of the playing area. Warming up with balls at the team bench or in the spectator walkways is not permitted.**

RULES OF PLAY

The West Coast AAU Volleyball Championships will be conducted under the AAU Code, AAU Volleyball Handbook and the current Domestic Competition Regulations as presented by USA Volleyball, with modifications by the AAU National Volleyball Committee. These rules may also be modified by Championship Rules and information included in this guide.

Some of the key or tournament specific rules are listed below.

- a. Each team will be allowed a maximum of 12 substitutions.
 - Substitutions are only recognized when the sub(s) enters the sub/attack zone.
 - Only one sub may enter the zone at a time.
 - There is no longer a request from the coach or captain.
- b. Teams in all divisions may use Libero Players.
 - Each team may designate up to two Liberors.
 - Libero(s) must be identified prior to each set.
 - Only one Libero may be on the court at a time.
 - The Libero(s) may **serve in only one rotation** in a set.
 - The Libero(s) uniform jersey must be immediately recognized from all angles as being in clear contrast to and distinct from the other members of the team. It **must contrast** in color to the predominant color of the jerseys of the other members of the team.

MATCH START TIMES

- a. The FIRST MATCH of any round or wave will not begin before its scheduled time.
- b. Within a wave, a match may be advanced no more than ten (10) minutes from the scheduled starting time provided the 2 competing teams, the assigned work team, the officiating team, officials and tournament staff **all** agree.
- c. The last round of the wave may be advanced more than 10 minutes provided the 2 competing teams, the assigned work team, the officiating team, officials and tournament staff **all** agree.

FORFEITURES

- a. In the event that a complete playing team (6 legal players and a rostered coach) is not present and ready to play at the scheduled match time, the missing/incomplete team will forfeit the first set of the match. The team forfeits the second set of the match 10 minutes after the forfeiture of the first set. If the team arrives or becomes complete during the 10 minutes between sets, the second set will begin immediately upon completion of line-ups and there will be no warm-up time.
- b. If there is potential for a playoff, all teams **must** remain in the court area. When Championship completes the playoff determination and seeding, they will notify the officials and if necessary send a playoff score sheet to the court. Any team not present or incomplete, will forfeit the playoff whether they are playing or assigned as the work team.

PROTESTS

- a. Any protest must be lodged with the first referee prior to the next serve.
- b. Only the floor captain may lodge a protest. (Exception: for 14, 13, 12, 11 and 10 Divisions where the coach may act as captain.)
- c. The first referee is obligated to acknowledge all protests.
- d. The Protest Committee will consist of: (1) a Tournament Director or Event Staff, (2) a Head Official and (3) another tournament official not involved in the match.

MISCONDUCT

Any player, coach or team representative that is disqualified, expelled, or displays excessive unsportsmanlike or unethical behavior, or inappropriate conduct will be reviewed by the Championships Committee for possible further action. This could include total disqualification for the remainder of the tournament.

AWARDS

Team trophies and individual medals will be presented to the top 4 teams in the Championship bracket of each age group (1st, 2nd, and two 3^{rds}). A team award will be presented to the winning team of the Silver bracket.

TIE BREAKING PROCEDURE

TIE BREAK FORMAT FOR COMPETITION ADVANCING TO THE CHAMPIONSHIP DIVISION

General Guidelines for all ties

- **IT IS THE COACH'S RESPONSIBILITY TO KNOW IF A PLAYOFF WILL BE HELD FOR THEIR POOL. DO NOT LEAVE THE FACILITY UNTIL YOUR POOL IS COMPLETED.**
- All tiebreaker sets will be one 25-point set with teams switching sides at 12 points. Before the tiebreaker, there will be a 6-minute (3-minutes per team) warm up period.
- In any tie, if one of the teams in the pool leaves the site or cannot be immediately found before the determination that a tiebreaker match is necessary, the missing team will be eliminated from the tiebreaker and assigned the lowest position available within the tie.

ALL TWO WAY TIES (two teams tied in match record)

- The team that won the pool play match between the two tied teams (head to head) will be the higher seed –there will be **NO PLAYOFF MATCH**. This procedure applies to **all** two-way ties, including those leading to the Championship Division. (The rationale is that the tied teams have already determined the better team through direct play.)

THREE WAY TIES (three teams tied in match record)

- Once a three-way tie exists, the Championship Staff no longer use the two-way tie rule in any fashion to resolve the tie, (e.g. head-to-head results are not used as a method of determining seeding).

1. In a pool with one team advancing and a three way tie in match record for 1st

- a) All three tied teams will participate in the tie breaking process.
- b) The teams will first be seeded by:
 1. Win-Loss ratio for the total number of sets played in the pool (set wins/total sets).
 2. Point Percentage (a team's total points scored divided by the total points scored against them in that pool).
 3. Coin Toss.
- c) **Set One** - the #2 seed plays the #3 seed and the #1 seed is the work team. The loser of Set One is 3rd in the pool and is the work team for Set Two.
- d) **Set Two** - the winner of Set One then plays the #1 seed. The winner of Set Two is 1st in the pool and the loser is 2nd.

2. In a pool with two teams advancing and a three way tie in match record for 1st

- a) All three tied teams will participate in the tie breaking process.
- b) The teams will first be seeded by:
 1. Win-Loss ratio for the total number of sets played in the pool (set wins/total sets).
 2. Point Percentage (a team's total points scored divided by the total points scored against them in that pool).
 3. Coin Toss.
- c) The #1 seed will take 1st in the pool.
The #2 seed plays the #3 seed and the #1 seed is the work team. The winner is 2nd in the pool and the loser 3rd.

3. In a pool with three teams advancing and a three way tie in match record for 1st

- b) With all three teams advancing, the seed will be determined by:

 - 2. Point Percentage (a team's total points scored divided by the total points scored against them in that pool).
 - 3. Coin Toss.

4. In a pool with two teams advancing and a three way tie in match record for 2nd

- a) All three tied teams will participate in the tie breaking process.
- b) The teams will first be seeded by:
 - 1. Win-Loss ratio for the total number of sets played in the pool (set wins/total sets).
 - 2. Point Percentage (a team's total points scored divided by the total points scored against them in that pool).
 - 3. Coin Toss.
- c) **Set One** - the #2 seed plays the #3 seed and the #1 seed is the work team. The loser of Set One is 4th in the pool and is the work team for Set Two.
- d) **Set Two** - the winner of the Set One then plays the #1 seed. The winner of Set Two is 2nd in the pool and the loser is 3rd.
