

ALL AMERICAN DISTRICT AWARDS

RED, WHITE AND BLUE

Criteria: Districts are divided into three Population Divisions based on the 2000 Census figures. These divisions allow a nearly equal breakdown in numbers (i.e., one third of the Districts in each Division).

Red Division 4.5 million and up

White Division: 2,500,000 to 4,499,999

Blue Division: 2,499,999 and under

A Progress Award measures each District's progress and is presented to the first place winner in each Division. **The All American Awards are based on the same criteria as the Progress Award, and are presented to the second, third, and fourth place winners in each Division.**

YEAR	RED	WHITE	BLUE
2008	New England Southwestern Southern	Pacific Southwest Connecticut Maryland	West Virginia Adirondack Central California
2007	Southeastern Wisconsin New Jersey	Oregon Colorado Potomac Valley	Adirondack Central California South Dakota
2006	Pacific Arizona Gulf	Florida Gold Coast Colorado Pacific Southwest	South Dakota Inland Empire Adirondack
