

AAU National Track & Field and Cross Country 2023 Grant Program Overview

Mission of the AAU National Track & Field and Cross Country: Grow AAU National Track & Field and Cross Country Membership by providing high quality, competitive events

Grant Program Purpose: Provide AAU National Track & Field and Cross Country funds to AAU Track & Field and Cross Country Sports Directors & adult members to increase AAU Track & Field and Cross Country sanctioned events/programs to grow 2023 AAU Track & Field and Cross Country Membership.

Grant Period: The 2023 Grant Program will apply to events/programs in the fiscal year ending August 31, 2023. The Grant Program is the responsibility of the AAU National Track & Field and Cross Country Executive Committee & is subject to modification, renewal, or termination at any time by the Committee of the AAU National Track & Field and Cross Country.

Program Overview: The AAU National Track & Field and Cross Country Committee will make available for the Grant period to one or more AAU National Track & Field and Cross Country Sport Directors/members who submit a written grant proposal to the Committee & which is accepted by the Committee. Acceptance by the Committee means that the grant request (in the view of the Committee) demonstrates a sound business proposal to grow the number of AAU National Track & Field and Cross Country Licensed Events, which in turn will grow AAU National Track & Field and Cross Country Memberships. This is the 1st year of the AAU National Track & Field and Cross Country grant program.

The Following Conditions/Requirements Apply:

- Grant proposals must be submitted via email to the AAU National Track & Field and Cross Country
 - Yolanda Freeman – yfreeman.aau@gmail.com
- The deadline for Grant proposal submissions is **February 1, 2023 midnight**.
- Only AAU National Track & Field and Cross Country Sport Directors/Adult Members in good standing with the AAU National Track & Field and Cross Country can submit Grant proposals.
- Winning proposals must agree to cooperate with the Committee in a post-event analysis
- Total amount of grant funds awarded will be determined by the AAU National Track & Field and Cross Country Committee.
- The proposal must lay out a specific business plan to include the events & associated costs, timing, & funds requested.
- The proposal must also estimate the anticipated new AAU memberships & provide the logic for the estimate.
- The proposals will be evaluated by the Committee & awarded based on the merits of the business case, funds requested & payment timing, new membership estimate, & how the funds will be spent.
- Winning grant applications will be determined by a majority (3) of the 5-person Executive Committee.
- Winning grant funds will be awarded prior to the proposed activity based on the timing requested.
- Winning grant recipient will email an electronic post event grant use summary encompassing implementation of funds including participation and membership growth data on or before April 1, 2022.
- Winning proposals will be notified by the Secretary within 10 days of April 15, 2023.

**AAU National Track & Field and Cross Country
2023 Grant Application**

Grant Program Purpose: Grant AAU National Track & Field and Cross Country funds to AAU Track & Field and Cross Country Sports Directors or Adult Members in good standing to increase the number of AAU National Track & Field and Cross Country sanctioned events/programs that will result in an increase in AAU National Track & Field and Cross Country Membership in the 2023 AAU fiscal year.
