J. Advancement Stipulations

1. Teams which placed 1st through 4th in the Division I District Championship may not play in the Division II or III AAU World Championship in that Grade Division. All other teams that competed in Division I are eligible to play Division I or II in that grade. No team that participated in Division I in the District Championship may play in Division III in that grade.
2. Teams which placed 1st through 4th in the Division II District Championship may not play in Division III in that Grade Division. All other teams that competed in Division II are eligible to play Division II or III in that grade.
3. Teams which placed 1st through 4th in Division I or II may petition the National Chair for an exception to play in a Division III (see sections 2a and 2b above).

4. District Championships and Super Regionals may be conducted in every age/grade allowing competition in Division I, Division II and Division III. A minimum of three (3) teams representing two (2) clubs are required to play in a District Championship in order for participants to receive a seeding to the AAU World Championship in that age/grade division.

K. AAU World Championship Roster

1. The total number of players designated to play in the AAU World Championship Tournament may not exceed fifteen (15) players. Rosters are locked, 72-hours before the start of the event.
2. **Players on an AAU World Championship roster must meet the following criteria:**
 - a. An athlete must satisfy all eligibility requirements (regarding age, residence, etc.).
 - b. In divisions' 7U/1st Grade thru 12U/6th Grade, a team may have a maximum of three (3) players from an adjoining district.
 - c. In divisions' 13U/7th Grade thru 19U/12th Grade, a team may have a maximum of fifteen (15) players from an adjoining district.
 - d. The AAU Boys' Basketball Eligibility Committee will not consider requests for transfer under rule **K.2., c., f. and g.** until after the completion of the District Championship.

3. International Teams

- a. All Athletes must reside within the same country.
- b. All athletes and coaches must prove their identity, age and residence with a valid passport.

L. Tournament Format

1. A pool play system will be used in the AAU World Championships for all age/grade divisions. There will be four (4) teams per pool when possible. Top two (2) teams from each pool will advance to a single elimination championship bracket, with consolation brackets. Those teams that do not advance to the championship bracket shall automatically advance to the AAU World Classic bracket.
2. Tournament Draw - A random draw shall be held at the National Committee meeting to place those Districts that did not earn seeding points. No two (2) teams from the same District [or state when possible] will play in the same Pool. (It is impossible to keep teams from the same State or District from meeting one another in the first round of games of the single elimination or consolation bracket part of the AAU World Championship.) Teams that advance from the same pool will be placed in opposite halves of the bracket so that they will not meet again in the championship bracket until the AAU World Championship game. Schedule adjustments may be made in the event of team "no shows."
3. Seeding Policy
 - a. Seeding shall be by individual teams and AAU District. The first criteria for seeding shall be order of finish in the previous years' AAU World Championship. For example, the 11U/5th Grade Division I AAU World Champion shall be the #1 seed in the next years' 12U/6th Grade Division I AAU World Championship, 2nd Place shall be the 2nd seed and so forth for all places awarded.
 - b. The host team shall be placed in all tournaments immediately following the teams placed based on the order of finish in the previous years' AAU World Championship.

- c. District Championship participants shall be placed according to the Draw list. First, gold medal, second, silver and third, bronze, etc.
- d. All other teams shall be placed using the District Draw List.
- e. International Teams shall be placed according to order of registration.

★NOTICE: The local host committee is not involved in the seeding or placement of teams into pools. Order of pool play and bracket schedule are predetermined and provided to the Local Host by the National Director of Competition. All seeding calculations will be approved by the National Director of Competition and his decision is final.

VI. Miscellaneous

A. AAU World Championship Selection Procedure

1. AAU World Championship proposals will be reviewed by members of the Boys' Basketball Executive Committee and approved by a vote of the Boys' Basketball National Council. No voting member may vote on sites involving his/her District.
2. If for any reason an AAU World Championship Host defaults or is unable to fulfill its commitment, the National Boys' Basketball Executive Committee will determine the replacement site at its sole discretion.

B. Coaching Restriction - No person may be a coach for any team competing in an event for which he/she is the tournament director.

C. Event Approval - The Boys' Basketball Executive Committee will not approve Super Regional Championship competition between the dates of November 1st and March 15th for athletes in the 15U/9th Grade Division through 19U/12th Grade Division.

D. Host Team - Notwithstanding the qualification criteria, the local organizing committee that is host to an AAU World Championship may select up to a maximum of four (4) teams, provided they meet all AAU requirements.

1. Host Team(s) may participate in the AAU District Championship, but are not required to participate.
2. The Host may select the team(s) as it wishes. It is not required to use any particular formula or criteria.

E. District Championship Events

1. If a District chooses to host one (1) event for all Divisions, it may award an equal number of placements to Division I (DI), Division II (DII) and Division III (DIII) AAU World Championships.
2. If a District holds Championship events for Division I and Division II Championships on separate weekends, teams that do not place 1st thru 4th place may participate in the DII event.
3. If Districts hold Championship events for Division I and Division II on the same weekend, teams/athletes must choose either DI or DII, they may not compete in both. In this scenario, athletes may not be on the roster of a DI and DII team in the same age/grade division.
4. If a District III Tournament follows the DII Tournament, teams that *do not* place 1st through 4th in the DII may participate in the DIII District Championship.

F. Regional Championships

1. Executive Committee can grant an event operator the right to host Regional Championships according to the terms and conditions established by the Executive Committee

2. Hosts of Super Regional Championships may choose to operate separate competitions for DI, DII, and DIII. If they choose to combine Divisions, they can award placements to for as many as four (4) teams in each Division. **Example:** a 12-team division in a Super Regional = top four (4) spots for Division I. Next four (4) spots for Division II. Last four (4) spots for Division III.

G. Sport Agents, Agencies and Representatives

Any person who is a registered sports agent or an agent or employee of a sports agent or agency, or any person who received compensation or consideration of any kind directly or indirectly from a sports agent or agency is prohibited from involvement in the AAU throughout the entire fiscal year (September 1 through August 31) during which any such compensation or consideration is received except as specifically set out herein.

Violation of this policy may result in the disqualification of the team and/or athlete (or both), as well as other possible penalties as set out in this Code.

Any such agency, agent, employee or representative may apply in writing to the AAU for an exemption concerning this policy. If, in the sole discretion of the AAU, such person's involvement either with the AAU and/or the sports agency is found to be inconsequential, such exemption may be granted. Such exemption, if any, may only be granted by the National Board of Review. In order to be valid (such exemption) must be in writing and will be subject to review either annually or at any time based upon a change of circumstance related to such persons' involvement.

A. AAU Boys' Basketball Policies

1. Sportsmanship

It is the obligation of coaches, players, administrators, volunteers, and other representatives of the AAU to practice the highest principles of sportsmanship and to observe the ethics of competition. Good sportsmanship is defined as qualities of behavior, which are characterized by courtesy and genuine concern for others. The display of good sportsmanship is a statement of the individual's understanding and commitment to fair play, ethical behavior and integrity.

2. High School Athletics

Participation in High School Basketball is important to the social and athletic development of the AAU athlete. The AAU recognizes the influential role played by the athlete's high school coach and team. Accordingly, the AAU pledges its support of high school athletics. In keeping with that support, the following policies are appropriate:

- a) The AAU Boys' Basketball Committee will not approve Regional Championship competition for athletes 15U/9th grade and older between the dates of November 1st and March 15th.
- b) AAU Clubs shall not allow any athlete who is a member of a high school interscholastic basketball team to participate in AAU licensed tryouts, practices, or games, from the first day listed for high school basketball practice on the High School Federation calendar until the last game of the regular season has been played.

- c) Coaches who are AAU members and school coaches should maintain open communications for the benefit of the athlete.
- d) It is inappropriate for an AAU member to solicit or recruit a player to enroll in any particular secondary school.

3. **Athletics and Education**

Athletic competition is good unto itself, and opportunities for participation need not be restricted to individuals representing academic or scholastic institutions. However, the AAU recognizes that athletics can be a powerful tool for shaping the educational development of young people, and for the enhancement of educational opportunities for its participants. AAU organizations should consider the academic well-being of its athletes, and ensure that participation in AAU activities does not adversely affect their academic progress. The AAU Club should cooperate with the athlete and his parents to strike an appropriate balance among academic, social and athletic activities.

4. **Coaches' Ethics**

The coach must be aware that he can be either a positive or a negative influence upon the development of the athlete. In all of his personal contacts with athletes, officials, parents, the media, and the public, the coach shall strive to set an example of the highest ethical and moral conduct. In keeping with that goal, the following ethical guidelines should be observed by all AAU coaches:

- a) The coach shall never place the value of winning above the value of instilling the highest desirable ideals of character.
- b) The coach must always consider the personal safety of the athlete.
- c) The coach shall be thoroughly acquainted with the rules and regulations of competition, and shall be responsible for their interpretation to team members. The coach shall not try to seek an advantage by circumventing the spirit or letter of the rules
- d) Game officials shall have the respect and support of the coach. The coach shall not indulge in conduct which will incite the players or spectators against the officials. Public criticism of the officials or players is unethical.
- e) The coach should respect his opponents, display gracious behavior during competition and require his players to conduct themselves in similar fashion. Before and after the contest, rival coaches should exchange friendly greetings to set the correct tone for the event
- f) Coaches shall actively use their influence to enhance sportsmanship by spectators.
- g) The coach shall take an active role in the prevention of drug, alcohol and tobacco abuse, and shall, under no circumstances authorize their use.
- h) The coach must recognize the importance of the athlete's academic development and promote the proper balance between athletic and academic activities.

B. AAU World Championship Program Policies

1. Game Time: The game time will also be the forfeit time. No grace period will be allowed.
2. Officials: No official may work more than four (4) games in one (1) day or more than two (2) games in succession, unless approved by a commissioner. No official shall work any game involving teams from the City/County in which he/she resides (Division I and II AAU World Championship pool and bracket play, does not include AAU World Classic).
3. Hotel/Motel Policy: Upon approval by the National Sport Chair, an AAU World Championship Host may designate certain hotel/motel properties not to be used by teams participating in an AAU World Championship Event. The exact name and address of each property must be provided to the National Sport Chair. The AAU Boys' Basketball Committee may reject entries of teams who reserve rooms

in these designated properties. Once the AAU World Championship Event begins, team(s) can be required to vacate the designated property in order to continue to participate in the event.

C. Definitions

1. **Practice** - For the purpose of AAU licensing, practice is organized and/or regularly scheduled sessions supervised at all times by a registered AAU non-athlete and conducted for the purpose of preparing, training, instructing and conditioning only AAU registered athletes for AAU competitions. Tryouts and scrimmages are included as long as they meet all the requirements of the above definition.
2. **Supervision** - Supervision requires that an AAU registered non-athlete be physically present at all times at the practice premise or site during each practice session.
3. **Scrimmage** - A practice of an AAU club or with AAU athletes or another club. A scrimmage does not qualify as a practice if an admission fee is charged, or the officials are paid. Scrimmage results must not affect the team's/club's standings or rankings.
4. **Qualifying Team** - A team which **has met the requirements** to compete in the AAU World Championship
5. **Advancing Team** - A team which is **competing** (participating) in the AAU World Championship.

D. Tiebreaker Formula Examples

Team A	2 Wins	1 Loss
Team B	2 Wins	1 Loss
Team C	2 Wins	1 Loss
Team D	0 Wins	3 Losses

Example #1: To break the tie to determine the placement, first look at the game results of the teams involved in the tie and total the point differentials.

Results	Differential	Total	Placement
Team A			
A vs. B (A-69 B-75)	-6	+9	1 st Place
A vs. C (A-85 C-69)	+15		

Results	Differential	Total	Placement
Team B			
B vs. A (B-75 A-69)	+6	-4	2 nd Place
B vs. C (B-63 C-73)	-10		

Results	Differential	Total	Placement
Team C			
C vs. A (C-69 A-85)	-15	-5	3 rd Place
C vs. B (C-73 B-63)	+10		

Example #2: When teams have the same point differential total after the first calculation, add the point differentials of the teams not involved in the tie.

Results	Differential	Total	Placement
Team A			
A vs. B (A-68 B-71)	-3	+0	Tie
A vs. C (A-59 C-56)	+3		

Results	Differential	Total	Placement
Team B			

B vs. A (B-71 A-68)	+3	+0	Tie
B vs. C (B-63 C-66)	-3		
Results	Differential	Total	Placement
Team C			
C vs. A (C-56 A-59)	-3	+0	Tie
C vs. B (C-66 B-63)	+3		

Recalculated using Team D scores:

Results	Differential	Total	Placement
Team A			
A vs. B (A-68 B-71)	-3	+5	3 rd Place
A vs. C (A-59 C-56)	+3		
A vs. D (A-65 D-60)	+5		

Results	Differential	Total	Placement
Team B			
B vs. A (B-71 A-68)	+3	+12	1 st place
B vs. C (B-63 C-66)	-3		
B vs. D (B-71 D-59)	+12		

Results	Differential	Total	Placement
Team C			
C vs. A (C-56 A-59)	-3	+8	2 nd place
C vs. B (C-66 B-63)	+3		
C vs. D (C-64 D-56)	+8
